

Year 2

Homework 5

Practise weekly spellings. Read to an adult **5** times a week. Practise your times tables.

Activities from the list below are to be completed over a two-week period.

Spellings Week 1

1. phone
2. phonics
3. photo
4. graph
5. alphabet
6. dolphin
7. orphan
8. sphere
9. elephant
10. nephew

Spellings Week 2

1. where
2. what
3. whale
4. wheel
5. while
6. whip
7. whirl
8. which
9. whisk
10. whisper

English

Use BBC iPlayer, on a TV, tablet, phone or laptop, to watch an episode of Katie Morag and her life on the Isle of Struay. Once you have watched it:

1. Draw a story map of what happened.
2. Create a story book of what happened. Include pictures and design a front cover for your book.

www.bbc.co.uk/iplayer/episodes/b04

Maths

1. Pick 5 or more containers and predict which container will hold the most and least water. Fill them with water and measure the capacity using a jug. Create a poster to show which containers you used and what their capacity was.

2. Practise key skills such as times tables and number bonds using:

www.trockstars.com

www.topmarks.co.uk/maths-games/hit-the-button

RE

1. See Y2 Home Learning RE for weekly activities and resources related to the topic of Pentecost.

stjosephsacademy.org.uk/contact/parents/homework/year-2-home-learning/

2. Continue to read and share stories from your Bible. You can draw story maps or use drama to retell the stories you may share.

3. Join in with Worship Wednesday. You can find it on our Facebook page.

Art

Pick a plant or flower that you like (sunflowers, cactus, daisies etc.) Create a piece of Art that includes your chosen plant/flower. You can use pencils, paints or anything else you may have at home!

PE – Try to get 30 minutes of exercise a day.

1. Join in with PE with Joe Wicks every morning.

2. Did you watch video of the staff dancing to S Club 7 'Reach for the Stars' on our Facebook page? Create your own dance routine at home. You could film it and send it to our email address so I can watch!

Science – Plants

1. If possible, plant a seed and keep a diary of its growth.

2. What are the key things that plants need to survive? Create a leaflet about the four key things plants need to survive and why they need each thing.

History & Geography – The Seaside

1. The costumes and outfits worn at the seaside are very different now compared to in the past. Research pictures and design your own costume to wear inspired by the past.

2. Create a leaflet, poster, word cards or a PowerPoint presentation explaining what these words mean: coast, cliff, harbour, beach, pier and lighthouse. Include pictures or drawings!
