

Pope St. John Paul II (1920 - 2005) was the head of the Catholic Church from 1978 to 2005. He was an inspiring leader with great faith and love for the people of God. He travelled to many countries to bring the message of Jesus to the world. He even forgave the person who tried to kill him! He loved children and young people, and they loved him too!

#### **Prayer**

Dear Lord Jesus, I am inspired by Pope St. John Paul II, who brought Your Love and Gospel to many people and nations. I pray that I too can bring You to my friends. Amen.
