Why did the government produce information videos during WWII? Conflict – Why were countries fighting in WWII? Why was Britain in a different position to its allies? How was the Home Front just as important as the European Front? Links to what I already know:				
World War, World War 2, Front of War, The Home Front, Attack, Defence, Morale, Prime Minister, Army, Air Force, Nazis, Gas Mask, Blitz, Rations, Rationing, Salvage, Recycle, Home Guard Information ideos during WWI? Conflict – Why were countries fighting in WWI? Why was Britain in a different position to its allies? How was the Home Front just as important as the European Front? Links to what I already knows: World War II started on 1st September 1939 and ended on 2 September 1945. There were two major alliances during WWII: Allies and Axis. The Allies' main countries were Britain, the USA and the Soviet Union. The Axis main countries were Germany, Italy and Japan. The War was fought on a lot of 'fronts' around the world with Britain mainly focusing on the war in Europe and on its own Home Front. World War II had a greater impact on civilians than World War I as the country geared for Total War' and the Home Front played a crucial role in this. Neville Chamberlain was the Prime Minister when WWII broke out, he was replaced by Winston Churchill during the War and he would go on to lead Britain to victory. The British Government took a very active role in people's lives during WWII and put a lot of controls and restrictions on people's lives. This was to help with the overall war effort. 1000s of individual battles between a large number of countries made up the entirety of WWII. Some of the key battles and turning points which Britain were involved in were Leiniperad Sept 1941-14n 1944; Bettle of the Bule be De 1944 – 1 an 1945; Battle of Britain Jul Information Information Information Information Information Information	Key Vocabulary					
 World War II started on 1st September 1939 and ended on 2 September 1945. There were two major alliances during WVII: Allies and Axis. The Allies' main countries were Britain, the USA and the Soviet Union. The Axis main countries were Germany, Italy and Japan. The War was fought on a lot of 'fronts' around the world with Britain mainly focusing on the war in Europe and on its own Home Front.
