English

Using the information from your history research, write some sentences to create a fact file about Tim Peake. Remember to use capital letters, finger spaces and full stops.

Write some sentences saying why you would/would not like to be an astronaut. Try to use some of your common exception spelling in your writing.

Art

Use the internet to look at some of the art created by the artist Picasso. Draw your own self-portrait.

Science

Get a bowl of water and get your adult to sprinkle black pepper into the water. The pepper represents germs. Put your finger into the water. What happens? Now put soap onto your finger and put it back into the water. What happens now? Write down your findings.

Maths

1. Learn about weight and volume. Fill a large container with water put in different materials such as rocks, feathers and sponges. Also use different size containers to pour and fill water.
2. Write about the weight and volume of the items used in your water container. E.g. the feather didn't sink do it is not heavy.
3. Remember to use Times Tables Rockstars to help you practise your times tables.

RE

1. Design a cross to represent Jesus sacrifice on the cross on Good Friday.
2. Write some sentences to describe your cross and say why the cross is important to us as Christians.

PE - Try to get at least 30 minutes activity per day.

Pretend you are an astronaut moving on the moon. Try to move fast and slow. Bouncing and floating around the moon. Create some exercises that you could do easily on the moon.

History

Research the astronaut Tim Peake. Find out five facts about him. Create or draw a picture of what Tim Peake may have seen on his journey to space.
