English

1. Read a book you have not read in a while, make sure you remember to blend new words. Think of another way the story could have ended. You can write it down or tell your adult the new ending, make it exciting!
2. Write a sentence using the 'tricky words' – it's, see very, looked. Try and make it interesting or funny!

Art

Since we've not been in classroom, I'm sure you will have changed and grown! Draw a self portrait, thinking about the colour of your eyes, hair, shape of your nose etc. You can use a mirror to help you!

Science

Draw a plant that you have seen in your garden or whilst outdoors. Label the plant, thinking about the roots, stem, flower, seed etc.

Maths

1. Gather one of each coin. Now, with a partner, take turns to cover your eyes, pick up a coin and guess what it is, if you guess correctly you keep it! Who is the winner? Play again.
2. When on your walk, take a pen and paper. Write the numbers you see then order them smallest to largest.
3. Remember to use Times Tables Rockstars to help you learn!

RE

1. Draw a picture of you and your friends and write a thank you prayer for them.
2. Ask your adult to read the Gospel from the Wednesday word. Try some of the activities too!

PE - Try to get at least 30 minutes activity per day.

Think of ways that animals move around. Are they fast, slow, tall or short. Move like your chosen animal. Make it fun by asking people to guess which animal you are!

Geography

We are continuing our topic on 'Seasides'. Think about the features of a seaside place such as Saltburn. Make a junk model, can you add a pier, cliffs? Send a photo of your creation to – office@stjosephsacademy.org.uk
