## English

Complete the History research activity about Tim Peak. Using the information you have found about him, create a fact file. This could be created on the computer or could be written!

Start a vocabulary book, writing down interesting vocabulary that you come across when reading your books and researching Space! Challenge yourself to write the definitions of these words.

PE - Try to get at least 30 minutes activity per day.
Use YouTube to do Wake Up Shake Up.
Make up your own Wake Up Shake Up routine that we could use at school. Do it to a song of your choice.

## Science

Get a bowl of water and get your adult to sprinkle black pepper into the water. The pepper represents germs. Put your finger into the water. What happens? Now put soap onto your finger and put it back into the water. What happens now? Write down your findings.

## Maths

1. Create an addition and subtraction board game. E.g. Snakes and Ladders.
2. Make a tally chart recording down the favourite food of your family and friends. Use this tally chart to create a pictogram or a bar chart.
3. Remember to use Times Tables Rockstars to help you practise your times tables.

## RE

1. Use your bible to read the story of Good Friday. Design a cross that represents Good Friday and a cross that represents Easter.
2. Write a prayer to say on Good Friday, thanking Jesus for his sacrifice.
3. Create a story map of the Easter Story.

## History

Research Tim Peak and find 10 interesting facts about him.
