English

Think about what it would have been like for Neil Armstrong to walk on the moon. Write a diary entry pretending to be Neil. Include how he was feeling, what he could see and what he did while he was there. Remember those important capital letters and full stops.

Maths – Shape

Look around your home. Which 2D shapes can you spot? Which 3D shapes can you spot? Make a list of the shapes in your house, write where you found it and write a property fact about that shape.

RE

Ash Wednesday is a time to say sorry for any sins and be forgiven by God. Take time to say a sorry prayer for anything wrong you have done. Remember, God will always forgive you.

Art - Space

Use your computer to research space suits. Your task is to design your own space suit, label the materials used and explain why you have designed it the way you have. Think about patterns, colours and your helmet.

PE

1. 10 star jumps
2. 10 sit ups
3. 10 push ups
4. 1 minute of running on the spot. Repeat!

Science – Materials

Look around your home for different materials. Think about the materials wood, plastic, rubber, glass and metal. Make a list of the different materials you can find and what they have been used for.

History - Space

Create a timeline of Neil Armstrong's life including when he:

- Was born.
- Received his pilot license.
- Joined NASA
- Went on his Gemini mission.
- Took the first step on the moon.
