1. metal
2. medal
3. pedal
4. loyal
5. dental
6. vocal
7. signal
8. capital
9. animal
10. hospital

English

We are at the end of our year in Class 5. We haven't seen each other for a while, so I want you to write a letter to me. I want you to include paragraphs about:

- Your favourite memory from Class 5.
- Your favourite subject in Class 5.
- The new skills you have learnt during lockdown.
- Your hopes and dreams for Year 3.

You can email me a picture of your letter or you can give me it once we return back to school.

office@stjosephsacademy.org.uk

Maths – Problem Solving

1. Find out everyone's age in years and months in your family. Put them in order from youngest to oldest.

2. Can you add everyone's ages together?

3. Find out everyone's shoe size in your family. Add them altogether.

4. Write down all of your family's names. How many letters are there? Predict first and then work it out.

4. Go on a shape hunt in your house. How many shapes can you find?

5. What number would I reach if I went up and down your stairs 5 times? Predict it first and then work it out safely.

6. Continue to practise times tables.

RE – Treasures

1. Draw or list all of the things that you treasure and tell your adult why you treasure these things.

2. Use your Bible to read the story of Creation. Which creation brings you the most joy? Write, perform or illustrate a prayer thanking God for that creation.

3. The World can be harmed from littering, not recycling, cutting down trees and plastic being thrown in the ocean. Create a poster telling people how to protect God's creation.

4. Water is precious. Not everyone has access to it like we do. Create a leaflet about the importance of water.

Art & DT

1. Memory Box – Draw/make a box. Fill it with good memories from Class 5.

2. Dream Jar – Draw a jar and fill it with your hopes and dreams for Key Stage 2. It might include improving your handwriting, learning to ride a bike and to learn your 6 times tables. It is up to you! Decorate your jar however you like.

PE – Try to get 30 minutes of exercise a day.

1. Join in with PE with Joe Wicks every morning.

2. Pretend you are PE teacher and create a lesson for your family to complete with you. Make sure they are well behaved and complete the tasks!

Science

With your adult, find out who:

- Invented lego
- Invented waterproof materials
- Discovered fossils

History & Geography – The Seaside – Lighthouses

Research a beach in a different country or imagine a beach on a tropical island. Create a postcard as if you are there. I want you to include what you can hear, smell, see and feel and what you are doing.
