English

1. Choose a Greek myth to read. Create a storyboard to retell this myth using illustrations and captions.
2. Create your own Greek God, prepare a picture and a detailed description to share with the class.

Art

1. Make a model of a planet, the sun or the moon - be as creative as you can!

Science

1. Record the shape of the moon over the next few weeks. See if you can label each drawing with the correct terms.

Maths

1. Revise how to add, subtract and multiply fractions. Make sure you convert from improper to mixed numbers and simplify where possible.
2. Learn fraction, decimal and percentage equivalents for; halves, quarters, fifths and tenths.

PE

1. Try your best to be active for an extra 30 minutes a day. You could ride your bike, practice some ball skills in the garden, hula hoop, walk, jog, run or you could even help out with some jobs around the house.

History

1. Create a timeline for the British Monarchy. Start with our Queen and see how far back you can go. Make sure you add dates and any important events.

RE

1. Prepare a liturgy for Good Friday or Easter Sunday. Think carefully about your choice of scripture and your mission going forth. Which hymn will you sing and which prayer will you choose? Set it out like you would in your 'Respond' booklets.
