

Children's Mission Statement

As we 'Walk in the Light of Christ' we will do our best to:

Be **ready** to learn, listen and grow.

Be **respectful** to all members of our school community, including teachers, classmates and visitors.

Keep our selves and other people **safe** by being ready, respectful and looking after our surroundings.

We will pray together to become closer to God and to develop an awareness of God's love for everyone.

In everything we do we will work together to help each other and the wider community.
