Home activities

- Share a story at bedtime
- Carry your own small bag when out and about
- Use a fork when eating your tea
- Put your own socks on this week
- Help to tidy away toys after playing

These are all ways to help us to be ready to learn at school!

This week, we have spent lots of time making new friends and getting to know the adults, our classroom, and the routines of the school day. We have enjoyed sharing stories, singing nursery rhymes, and taking part in lots of fun activities together. We have also enjoyed delicious snacks and have been busy developing our strength and coordination through active play outdoors.
