

ST JOSEPH'S CATHOLIC PRIMARY SCHOOL SPORTS PREMIUM FUNDING ALLOCATION PLAN 2024-25

Number of pupils and Pupil Premium Grant received	
Total number of pupils on role	351
Total amount of Sports Premium Funding	£18,640
Our Aim	
At St Joseph's, we recognise the positive impact that sport can have on children's health and well-being as well as attitude to learning, behaviour, academic achievement and concentration. We believe that an innovative, varied PE curriculum and extra-curricular opportunities has a positive influence on our children. Our Primary School Sport's Funding will be spent on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles. It will enable us to sustain our provision through employing specialist P.E teachers, additional sports professionals, entering into more and new competitive sports competitions and training our staff to deliver in-house quality PE sessions.	
Aspirations of our Sports Premium Spending:	

We will be actively working:

- To maintain current standards and improve the provision and resourcing of physical education (PE)
- To make improvements to PE and sport, including in access to and participation in competitions, for the children and maintain current standing on league tables in 2024/25
- To create a sporting habit for life in our children
- To ensure that the children receive 'Quality First' P.E teaching and meet the minimum requirement of 2 hours of physical education for every child at St Joseph's.
- To extend the range of extra-curricular sports activities and introduce a new sport.
- To improve provision of gymnastics.

Project/Item	Identified Need	Summary of intervention	Amount of school budget allocated	Outcome/Impact
