Friends of St Joseph's are working hard to provide some fun activities for our families to enjoy following the races. More information to follow.

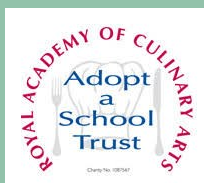

Adopt a Chef

On Tuesday 16th June Class 2 and 3 will be visited by 'Adopt a chef'.

Developed by the Royal Academy of Culinary Arts, the Adopt a School programme encourages healthy eating habits in children, cultivates an enthusiasm for food and cooking and offers young people an insight into the exhilarating world of hospitality.

We are asking for a payment of £3 per child to help towards this brilliant experience. Please make payment via ParentPay

TriKidz

On Monday Year 1 - Year 6 children will be participating in our Trikidz event.

TriKidz is a 'participation based' triathlon project aimed at primary school children. They replicate swimming by using resistance bands, the children cycle on adapted racing bikes (on static trainers... don't need to be capable of riding a bike) and the running part is simple.

Children can come to school in their PE kits, wearing pumps or trainers.

FIFA World Cup Celebration lunches

We are having special themed lunches for the World Cup, week beginning 15th June. If your child usually has a packed lunch and would like to have any of these themed lunches, please contact Mrs Massam in the office to book.
