

WE BUY LOCAL PRODUCE TO SUPPORT LOCAL BUSINESSES AND REDUCE FOOD MILES.

100% of our food suppliers are classed as local and 75% of our food purchases are produced in the UK. Our service recognises the value and importance of sustainable and responsible food sourcing.

Our aim is to positively influence the diet of our children and young people, and always consider where the food we put on the plates comes from and how it was produced.

SPECIAL DIETS AND ALLERGIES

Special diets are diets for pupils with a medically diagnosed requirement; not just a dislike of certain foods or food groups. It is our policy to provide a service for those pupils with medically diagnosed food allergies, food intolerances or a medical condition which affects eating requirements.

Please contact your school office in the first instance to inform them of your child's requirements.

HEALTHY, NUTRITIOUS FOOD CHOICES & OUR SOCIAL RESPONSIBILITY

Lancashire Catering Service provides high-quality, nutritious food to Lancashire's children, supporting health and the local economy. We offer various food choices, and our Sugarwise accreditation ensures we promote healthy habits. Our vision is continuous innovation to meet customer needs.

Whilst every effort is made to produce the published menus, please note that they may vary occasionally subject to availability and individual school requirements. All our menus are checked using a recognised programme to analyse nutrition. We also work with Lancashire Healthy Schools and support the Change 4 Life campaign. The result is a menu your child will enjoy and that will prepare them for learning in the afternoon.
