

# *Art Vision*

**“Art is not just a subject to learn, but an activity that you can practise with your hands, your eyes, your whole personality.”**

**Quentin Blake**

“At St Joseph’s Catholic Primary School we believe that art stimulates creativity, imagination and inventiveness. We believe that art gives our pupils the skills, necessary for them to express themselves and respond to ideas and experiences. It fires their imagination and challenges thinking!

Art is taught alongside the wider curriculum; it gives children the opportunity to bring a topic to life. Special whole school curriculum days are used to engage pupils and inspire a love of art and an appreciation for artists work, developing skills of observation and evaluation.”

Mrs G Porter

Art Subject Leader
