

# *Vision for MFL*

At St Joseph's our vision is that children will develop their language learning skills and become all-round global citizens.

We teach Spanish as a modern foreign language in order to prepare our children for a rapidly changing world. Learning a foreign language prepares our children for life in modern Britain, in which work and activities increasingly involve using languages other than English.

We intend that through learning Spanish, our pupils will develop an awareness of cultural diversity within society. As well as be open-minded and adventurous in all aspects of learning.”

**WHOLE SCHOOL CURRICULUM OVERVIEW FOR MFL  
YEAR: 2023-2024**

	<b>AUTUMN</b>	<b>SPRING</b>	<b>SUMMER</b>
<b>EYFS</b>	Farm Animals Pets Wild Animals	Colours Number 1-5	Food The Body Transport
