

Relationships, Sex, Health and Education Vision

Our vision is to support the delivery of Relationship and Sex Education, through the programme of, "*A Journey in Love*". The foundational premise of this programme is one that believes we are made in the image and likeness of God. Throughout the year, children will consider the following aspects of love; physical, social, emotional, intellectual and spiritual. This will enable them to grow and develop healthily and holistically towards an understanding of their gender and its implications for successful relationships; they must be at ease with themselves and grow in self-knowledge. RSE will work alongside Religious Education lessons under Liverpool Archdiocese guidance and in conjunction with SMSC.
