<u>Electronic Resources</u>

Dear Parents/Carers,

To support learning children have access to:

- ClassDojo (Portfolio) – This is used as an online platform to communicate with parents/teachers. Homework tasks can be set on here and teachers can post information to parents of upcoming events in school.
  (https://www.classdojo.com)
- Timestable Rockstars – This is used to help support the children with their times tables.
  (https://ttrockstars.com/login)
- Mathletics – This is used to support children's learning of Mathematics. Children will be set short homework tasks on here and children will also use this in school to support their learning.
  (https://login.mathletics.com)
- Bug Club – (Active Learn) – This is used to support reading in school. Children can complete different reading activities and comprehension tasks. The books that the children are set matchup with our reading scheme.
  (https://www.activelearnprimary.co.uk)
- SPAG.com – This is used to support Spelling, Punctuation and Grammar. Children can complete online tasks to support their work covered in school.
  (https://www.spag.com)

All children have their own log in details, if they are unsure of these please ask them to speak to their class teacher.

Yours sincerely,

Mr. Malley
