

# Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool Revised July 2021

#### Commissioned by

Department for Education

#### Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- . Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit
  pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Pleasevisitgov.ukfortherevisedDfEguidanceincludingthe5keyindicatorsacrosswhichschoolsshoulddemonstrate animprovement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022**.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click HERE.

Created by:

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption, in 2020, it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

#### Key achievements to date until July 2021: Areas for further improvement and baseline evidence of need: > Attainment in P.E is high across the school based on assessment data To improve fitness levels of all children, particularly those who are not that is completed by the WLSP Specialist and Class Teacher at the end as engaged with P.E, sport and exercise. of each block of teaching. > To increase the amount of children engaging in 30 minutes physical ➤ Wide range of extra-curricular sports clubs offered to children of all activity every day. year groups. These include – Football, Netball, Gymnastics, Dance, Net > Continue to develop staff's subject knowledge, skills and confidence & Wall, Striking and fielding, Invasion Games, Athletics, OAA and relating to teaching P.E. Raise the profile to ensure physical activity is a high priority within Fundamental skills. ➤ High levels of participation in extra-curricular sporting activities. school. > Children have attended SEN/inclusion sporting events with children > Develop the fundamental movement skills of children across the from other schools. school > Current Y4, Y5 & Y6 children attend Swimming lessons at Nye Bevan > To continue to achieve 100% NC in swimming for Y6 children in 21/22 Swimming Pool, Skelmersdale 20/21 – All children in Y4-6 attend 9 weeks of swimming sessions throughout the year. If children do not meet NC for swimming then extra sessions will take place. > 100% of Y6 children achieved NC in swimming in 2020/21. > Successes in West Lancashire School Sports Partnership competitions in a range of year groups and sports. – Including Swimming Galas, Sports Hall Athletics, Triathlon, and Athletics competitions. > Providing children with aerobics sessions during the yearto help children to become fitter and to think more about their health. > Classroom sessions about the advantages of leading a healthy lifestyle. > Employing a qualified 'Forest School' specialist to help with delivery of Forest School sessions after school. Forest School – School staff trained up as Forest School Leaders to

deliver weekly sessions with each class.

- Mini Wheelers This combines unique ergonomic balance bikes with a programme of fun activities that build confidence, spatial awareness and dynamic balance skills in young children, enabling them to cycle without ever needing stabilisers. (Reception children will be targeted first)
- Bikeability This will take with Y5 children. Bikeability is a cycle training programme. It helps children gain practical skills and understanding how to cycle on the roads. Bikeability gives everyone the skills and confidence for all kinds of cycling.
- 'Champions of Character education programme into curriculum and extra-curricular delivery, explicitly teaching honesty, reflection, responsibility, respect, empathy and resilience.
- The 'Daily Mile', which is has been implemented into the school day, provides the children with greater opportunities to be physically active. It is also used before school to encourage parental involvement and for sponsored events. E.g. Sponsored 'Christmas Fun Run'.

Did you carry forward an underspend from 2020-21 academic year into the current academic year? **YES** If YES you <u>must</u> complete the following section

If NO, the following section is not applicable to you

If any funding from the academic year 2020/21 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2022.

Academic Year: September 2021 to March 2022	Total fund carried over: £1047	Date Updated: July 2022
Meeting national curriculum requir	ements for swimming and water safety.	100%
