

## St Joseph' Zoom information – How to use Zoom

Please make sure that you have **Zoom** Downloaded onto your device. Please go to:

<https://zoom.us/download>

Alternatively, if you are using an Apple or Android tablet or phone download through your App store or Google Play etc.

In order to take part in a zoom meeting you will need a device that has a camera and a microphone. Most tablets have these and laptops usually have them built in. However, please check your device before joining a meeting as the teacher cannot spend the session "troubleshooting" home technical issues.

**Method 1** – Clicking on the link sent to you on ClassDojo. E.g., this is just an example of what the link may look like:

Mr Benson is inviting you to a scheduled Zoom meeting.

**Topic: Mr Benson's Zoom Meeting**  
**Time: Jan 15, 2021 02:45 PM London**

**Join Zoom Meeting**

**Meeting ID: 119 056 1378**  
**Passcode: E9nTD9**

Once you click on the blue link, you should be taken to a virtual "waiting room," where you will wait until the teacher invites you to join the meeting. Please make sure that you follow the school zoom rules once you are in the meeting and listen to your teacher.

**Method 2-** sometimes the links (method 1) do not work. If this is the case, you will need to load the Zoom programme or App up first yourself. When you load up "Zoom", you will see the following page:

a) Click on the join button.  
b) Then type in the meeting id

- c) Once you have typed in the meeting ID click join
- d) Finally enter the passcode e.g. E9nTD9
- e) You will then be put in the virtual "waiting room" and your teacher will invite you in.
