#### Peer Enquiry and Review

On Wednesday, leaders from two other schools in Ealing came to visit our school to undertake a Peer Enquiry and Review. They came to look at the teaching and learning in Oracy now that we are part of the Voice21 programme and also to look at specific SEN provision. Our visitors were very pleased with what they saw and gave us excellent feedback. No review is worth its salt without pointers to make us even better and we have some pointers to work on. Well done to all the children and staff for 'showing off' their skills and talents in a humble way and a special thank you to Miss Smith and Miss Sasenarine, who championed their areas so well.

Gospel: John 2:13-25

*Jesus purifies the Temple of commercial defilement; then proclaims himself the New Temple*

The Passover of the Jews was near, and Jesus went up to Jerusalem. In the temple he found people selling cattle, sheep, and doves, and the money changers seated at their tables. Making a whip of cords, he drove all of them out of the temple, both the sheep and the cattle. He also poured out the coins of the money changers and overturned their tables. He told those who were selling the doves, "Take these things out of here! Stop making my Father's house a marketplace!" His disciples remembered that it was written, "Zeal for your house will consume me."

The Jews then said to him, "What sign can you show us for doing this?" Jesus answered them, "Destroy this temple, and in three days I will raise it up." The Jews then said, "This temple has been under construction for forty-six years, and will you raise it up in three days?" But he was speaking of the temple of his body. After he was raised from the dead, his disciples remembered that he had said this; and they believed the scripture and the word that Jesus had spoken.

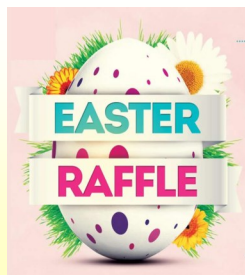

#### World Book Day

I am so looking forward to World Book Day next Thursday 7th March. All the children and staff are invited to come to school dressed as a book character. We will also be having a book swap on the day when children will be able to choose a book to take home. See Mr. Brooks' letter emailed to you.

#### Upcoming PTA Easter Egg Raffle

At the end of term, the PTA lays on a mega raffle where the children get the chance to win Easter Eggs. In fact, everyone is a winner as even if you are unlucky not to win an egg in the raffle, you will get an egg from the PTA. Tickets will go on sale soon and classes will be competing against each other to collect as many as they can, so start bringing in those eggs.

## Parent Evening

The first parent evening is under our belt and now we look forward to the next one, 3.30pm-6pm on Tuesday 5<sup>th</sup> March. If you have not done so yet, please make an appointment with your child's class teacher. The meeting was also used as a chance to introduce our new Relationships and Health Education programme from Ten Ten. No parents came to watch the short presentation but it can be accessed via the parent portal. Parents were also provided with a handout and access to the parent portal and consultation:

[www.tentenresources.co.uk/parent-consultation-tool-primary/](http://www.tentenresources.co.uk/parent-consultation-tool-primary/)

Once the information has been read, I would appreciate feedback via the QR code in terms of a questionnaire.

## Catholic Social Teaching

Last week we were introduced to our focus for this half term which is 'Community and Participation'. It is important for us to remember that we can't just sit back and bemoan what's happening, whether in our own parish and community, society, or the world. We are called to get our 'hands dirty', to get involved and to help build a better world.

Thank you to all those children who this week shared facts about our local parish community. Sometimes we fail to see all the good that exists around us.

It was really wonderful to find out about all the positive things that are happening in our local Parish community.

Challenge: This week, think about the communities you belong to outside of school. Are you part of a local group? Do you enjoy going to a club in Hanwell? Do you play for a local sports team?

Draw a picture of yourself participating in your local club /group. Alternatively, draw an image that represents your participation in a local club/group.

Please bring your pictures in on **Friday 8th March**.

Thank you to the girls' football team for their help with this month's fitness challenge and to Mr. Sheehan for compiling the video and creating the link to share with you all. It would be great to see what you've done to keep fit as a family, please continue to email any pictures you take pre, during or post exercise to: [year1@stjosephs.ealing.sch.uk](mailto:year1@stjosephs.ealing.sch.uk)

Thank you to Miss Redhead for organising.
