## Weekly Newsletter

### Friday 1st October 2021

#### In this issue...

- **Governors**
- **Contacting The School Office**
- **Former Pupil**
- **Laudato Si**
- **Safer Streets**
- **Parent Evenings**
- **St Joseph's Half Marathon Challenge**
- **Job Vacancies**
- **Contact Details**
- **Ealing Mini Mile**
- **Ink Cartridges**
- **PTA Coffee Morning**
- **Secondary School Visits**
- **Celebrations**
- **Secondary School Signing Dates**

#### Governors

On Tuesday, Maggie Jones retired from being a governor at our school. She has 'served' the school for more years than I am allowed to mention. In her role, she has championed the children and staff and has contributed to making many initiatives work and contributed to many a School Development Plan. In the past year, Maggie was Chair of Governors and was my 'critical' friend ensuring that what we did for the children and staff was up to the highest standards that you would expect.

Following an election, Anita Marshall was voted in as the next Chair of Governors. She looks forward to serving on the board as Chair. Philip Stark retains his role as Vice Chair.

#### Contacting the school office

If you have a general office related enquiry please use [ask@stjosephs.ealing.sch.uk](mailto:ask@stjosephs.ealing.sch.uk).

**Please note Father Cristiano's signing dates are at the back of the newsletter.**

**Sunday 3rd October 2021**

27th Sunday in Ordinary Time  
Gospel: Mark 10:2-16

*"Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs. Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it." And he took them up in his arms, laid his hands on them, and blessed them.*

#### Former Pupil

On Thursday, former pupil John Patrick O'Meara, came to visit the school as part of his 'giving back to the community' programme. John Patrick is a member of Team GB Boxing and spends most of his time in Sheffield at the English Institute of Sport. As part of his job, he has to do outreach work in schools and he helped Mr Sampaio with PE lessons across the school. We hope John Patrick comes back soon to help some more. He shared with me that he was feeling very nervous coming into our school, even more so than first stepping into the ring!

## Laudato Si' project – Caring for our common home

Father Cristiano wrote in the Parish newsletter asking parishioners to celebrate the Season of Creation (1<sup>st</sup> September to 4<sup>th</sup> October) by reflecting upon the unique beauty of our world and considering the ways in which we are damaging this gift. He has arranged for Ellen Teague of the Columbans to speak at all masses on Saturday 2<sup>nd</sup> and Sunday 3<sup>rd</sup> October. Please welcome her as she helps guide us on living out our Catholic Social Teaching.

**Family task:** Discuss as a family the information and advice given by Ellen Teague at Mass.

Please do share your ideas with us by emailing your photos in to school and we will upload them to the Year Group page.

Let's make a difference – together!

### Safer Streets – Our School Street starts soon

Please read my letter being sent out separately on this topic. I have only had 8 volunteers!

### Parent Evenings - Thursday 14<sup>th</sup> October (4.30-7pm) and Tuesday 19<sup>th</sup> October (3.30-6pm)

In the coming days you should receive a communication from school about upcoming Parent Evenings. These meetings will be online. Please return the forms to the class teachers as soon as possible so that they can get started on scheduling meeting times. I thank you in anticipation of your compliance.

### St. Joseph's Half Marathon Challenge

Well done to all of the children and adults who took part in the Ealing Half Marathon, Mini and Family Miles last weekend. Next week, children in Reception to Year 6 will be taking part in our very own 'St. Joseph's Half Marathon Challenge'. They will be attempting to run at least 21 times before Christmas to represent each of the 21km in a half marathon. Middle and Upper Phase will also be completing their own individual half marathon. Please support your child by pledging to make a donation to Ealing Food Bank once they and their classmates have completed the challenge. Thank you to Mrs. Day for planning and organising this amazing event.

### Job Vacancies

#### Relief SMSA

We are looking for a relief SMSA to join our team on an 'As and When Required' basis, 1.5 hours per day. Please enquire at the school office for an application form.

#### Cleaners

If you have spare capacity in your busy day, I am looking for two experienced cleaners to work Monday to Friday, 3.15pm to 5.15pm. Please enquire at the office.

### Contact Details

If you have moved house or changed your phone over the summer, please don't forget to come to the office and complete a change of details form. It is imperative we have contact numbers for emergency purposes.

**Love Learn Believe**

## Ealing Mini Mile

Following on from my last newsletter, Natalia competed in the Mini Mile along with the other 1999 children wearing her T-Shirt design. She had a great time and finished with a lovely medal too.

## Ink cartridges

Recycle4Charity is a free and easy to use ink recycling programme, which will help raise money for our school. Please bring to school any used, dried out or out of date printer cartridges. Unfortunately, toner and laser cartridges are not accepted as part of the programme, however inkjet printers (usually found in the home) are included. Please see below website for more information and to check whether your cartridges are available for recycling with this scheme:  
<https://www.recycle4charity.co.uk/InkjetCartridges>

The recycling box will be placed in the office reception area of our school, simply find the box and place your cartridges inside.

## PTA coffee morning

The PTA held their second coffee morning on Monday. It was not as well attended as the first one, but overall, the PTA was pleased with the footfall into their 'café'. It gave new parents an opportunity to meet others and also gave an idea about what the PTA is all about and how it helps our children. Thank you to the PTA for hosting the event.

## Secondary School visits

I again attach an updated sheet to the back of the newsletter with timings for open days/evening. As well as Year 6 children needing to attend, I would also encourage Year 5 children to take up the opportunity this year as next year their high school of choice may have their open evening event during the Boreatton Park trip.

## Celebrations

Headteacher awards are presented each week to children who the staff think have put that little bit of extra into their work. Well done to the children listed below:

Class	Name	Reason
1K	Blanka	For writing great sentences independently.
1AS	Oleg	For writing such a thoughtful prayer to thank God.
1SS	Arianna	For putting more effort into her learning.
2JB	Ava	For using her fantastic vocabulary in her writing.
2EB	Xuanshi	For super work across all subjects.
2SL	Carina	For her very thoughtful work during RE. Thank you!
3AR	Olivia	For trying really hard during ALL lessons. A wonderful role model!
3DS	Ewelina, Lidia and Julia	For working in a group to produce a superb middle paragraph of a story.
3SR	Charlotte	For displaying great knowledge and investigative skills in Science.
4AS	Elizabeth	For being a fantastic role model for others.
4MS	Shivangi	For being brave about swimming! Well done!
4W	Dominik	For making a concerted effort in his PE lessons.
5B	Gabriela	For the effort she put into her writing about Maximilian Kolbe in RE!
5L	Cole	For excellent understanding of multiplying and dividing decimal numbers.
5W	Ella	For always being polite, helpful and respectful to all her classmates.
6B	Poppy	For her brilliant recount of her trip to PGL.
6I	Aaron	For challenging himself and overcoming fears at PGL.
6J	Hannah	For a well written recount of her adventure at PGL.

Good Disciple awards are given to children who have shown exceptional love and kindness to fellow pupils and are helping to build God's kingdom here and now. Well done to the children listed below:

Phase	Name	Reason
Lower	Kemi	For always being kind to others.
Middle	Valmarie 3DS	For being a wonderful role model, always offering help. An asset to her class!
Upper	Hannah 5AL	For being consistent with her care for others and showing great empathy to her classmates

## Common courtesy

Thank you all for listening to my request to keep off neighbours' walls and out of their gardens.

I now make a second request. Lock down has taught us how to queue nicely. I am receiving more and more complaints about parents jumping the queue. If you see a queue to get into school at the end of the day, please join the end and not push in. Please wait your turn like the rest of the school community.

## Secondary School Signing Dates

### Father Cristiano

You should call the presbytery to book your appointment on 020 8567 4056. Before you attend the appointment please ensure the following:-

- You are a **registered Parishioner**.
- To the appointment you should take a **completed Supplementary Information Form (application form)** for each school you are applying to.
- Your child's **Baptism Certificate**.

4 <sup>th</sup> October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.
11 <sup>th</sup> October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.
12 <sup>th</sup> October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.
18 <sup>th</sup> October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.

# Gunnersbury Catholic School

## Year 6-7 Transition Open Events

### Autumn 2021

We are delighted to share that prospective pupils and parents will, this year, be able to visit Gunnersbury Catholic School. To provide an insight into our uniquely outstanding education, we are hosting a series of open events.

To ensure an enjoyable and safe experience we shall be operating an on-line booking system for each event. To book a tour please click on the links below.

**Open Afternoon: Tuesday, 5 October 2021 at 1.30pm**

[Book your place here](#)

**Open Evening: Tuesday, 5 October 2021 from 4.30pm to 7.30pm**

Tours available at

4.30pm, 5.30pm, 6.30pm and 7.30pm

[Book your place here](#)

**Open Morning: Thursday, 7 October 2021 at 10.30am**

[Book your place here](#)

**Open Morning: Wednesday, 12 October 2021 at 10.30am**

## DISCOVER WHAT MAKES GUMLEY UNIQUE

At Gumley House School FCJ, we take the time to get to know each girl as an individual to be able to support her in creating her own story.

Whether their next chapter is to become a global leader, scholar, sportswoman, musician or artist, we provide them with an ambitious curriculum, enriching experiences and excellent pastoral care to ensure she reaches her goals and is prepared for a successful future.

We invite you visit our website where you will find details of an engaging experience to give you a sense of what makes Gumley so unique. Find out more about our [Gumley Girls and their stories](#), read our [Gumley Gazettes](#) and [School Prospectus](#), learn about our exceptional [Transition Programme](#) and join us for our open events on

\* Thursday 30th September, 9am-11am (Head's talk at 10:20am)

\* Thursday 30th October across three sessions to minimise numbers, 5-6pm; 6-7pm and 7-8pm.

Head's talk begins each session.

\* Tuesday 5th October 5-8pm (Head's talk at 10:20am)

Be sure to complete the registration form on our website to receive further information and details. I look forward to sharing the Gumley Story with you.

Stephen Byrne,  
Headteacher

## Ealing Parks Foundation

### FREE WILDLIFE ACTIVITIES FOR FAMILIES (Autumn 2021)

Sat 30 October 10-2PM  
Walpole Park

Ealing Council is launching its updated Biodiversity Action Plan in 2021. Ealing Parks Foundation (a new charity) is running a spooky 'Wicked Wildlife' session! Turn up on the day to book onto a session with Natasha Gavin and make bat masks and go on a Halloween treasure hunt. And more! Age 4 up. (See [www.ealingparks.foundation](http://www.ealingparks.foundation) for more information)

### Ealing Wildlife Group photography competition (deadline 13 October)

Go to [www.ealingwildlifegroup.com](http://www.ealingwildlifegroup.com) and see how easy it is to submit a photo for the annual competition: junior category (under 16s) and no experience or fancy cameras necessary- just nature in Ealing!

**How private residents can help biodiversity in Ealing**

You might not be able to do many of these things, but just doing a couple will really help local biodiversity to thrive- private green spaces can have a major impact on improving the number and variety of insects in the environment, and therefore helping all those creatures up the food chain to survive. And if you don't have a front or back garden, even balconies and window ledges can help wildlife! Here's how...

- Make a pond -bury a bucket, put some oxygenating plants in then water and surround it with plants for shelter. Put a log in it so creatures (big and small) can climb out if they fall in.
- Have a wild corner in your garden- pile up some sticks, leaves, logs and don't disturb them- the beetles and woodlice will love them. Birds and frogs will be attracted to all the insects. Stag beetle larvae can take 7 years to mature into stag beetles!
- Fill your garden with flowers- sow wildflower seeds or pollinator friendly ornamental bushes-like Rosemary, Hebe, Lavender, Buddleia. If you only have a window ledge or a small balcony, planting flowering shrubs in pots will attract insects and birds hunting for food.
- Make your front garden a wildlife refuge too and a safe space for passing wildlife-avoid paving over your front garden- flooding is a much bigger problem now, and every open bit of green space and porous surface helps to absorb rain water and reduce localised flooding in the borough.
- Put up bird boxes in high sheltered (out of direct sunlight) corners of your garden trees or house- clean them out every year to encourage another future pair to nest.
- Make a hole under your fence and encourage your neighbours to, so wildlife can use your gardens as a corridor. Wildlife corridors are vital ways we can help creatures move between larger green spaces. Hedgehogs are often spotted in Ealing gardens.
- Compost your uncooked green waste- the worms will work their magic and turn your uncooked fruit and veg peelings into soil and worm tea- a natural fertiliser for plants.
- Feed birds all year round- mealworms and sunflower seeds are a big favourite, especially in wet Springs when it is harder for birds to find bugs to feed their young.
- Keep a close eye on your pets- dogs can disturb wildlife, especially if they move off paths. The same applies to us big humans.
- Mow your lawn less often- insects can hide in longer grass, the birds love finding them, and pollinators will enjoy your wild flowers.
- Stop using chemicals- especially slug pellets- slugs killed by slug pellets can poison frogs and other creatures that eat them.
- Leave ivy berries for the birds in winter and don't prune big walls of ivy or other climbers in the early Spring- birds will be looking for nesting sites and these are perfect sites.
- Don't tidy your garden in the Autumn- let the dead flowering heads of taller Summer flowering plants remain over winter, so ladybirds and other insects can hibernate in the stems, and birds can feed on seed heads- cut them back when the weather has warmed up in late Spring.
- Get involved in community action- volunteer litter picking and gardening are just two ways you can make a big difference to your local wildlife habitats.
- Join Ealing Wildlife Group on Facebook, and be inspired by the biodiversity on your doorstep. Enjoy nature.

September 2021

## Customer Update: Supply Challenges

Following the communication we shared in June regarding anticipated supply challenges, we are getting in touch to update you on the ongoing issues we are experiencing with sourcing certain products and ingredients.

You will likely have seen articles in the news recently highlighting the issues that well-known fast food chains have been facing in sourcing several key product lines (McDonalds, Nando's, KFC, etc.). These same challenges are affecting the wider food services sector and those wholesalers that supply it, as well as food retailers right across the UK. They are driven by a number of underlying issues including:

- Covid-19, and the pressure on supply that the subsequent lockdowns and reopening mobilisations have caused.
- Significant variations in demand, which are often much higher than expected and above the capacity of some of our supply partners.
- Brexit, and some related delays with imported products coming into the country.
- Industry-wide shortages of HGV drivers and hauliers, warehouse, production and catering teams, some of which have been exacerbated by Brexit and return of some EU nationals.
- The 'pingdemic', social distancing and Covid-19 workplace protocols, which have all impacted on production at many manufacturing and food processing sites, and right across the supply chain.
- Avian and swine flu, which have affected the availability of some key meat and poultry lines.
- Extreme weather conditions, which have delayed the planting and drilling of some crops, impacting quality and supply – such as current issues with potato products.
- Soaring costs of shipping and freight, as well as the closure key ports in China, which have affected the cost and availability of many globally imported lines.
- Instances where availability challenges with some products have a knock-on impact on other, similar lines.

In schools, the majority of product lines affected so far include tinned fruit, frozen fruit, frozen vegetables (peas, green beans, etc.) and bread products. Secondary schools may also notice shortages of soft drinks, as well as 'grab and go' packaging and condiment sachets.

It is likely that the next few months will continue to be unstable until suppliers' capacity to deliver stock matches and overtakes customer demand. As a result, there may be some variations to recipes, menus and packaging, where we have had to source alternatives. We will continue to do everything we can to provide high quality services which are as close to the agreed menus as possible, consulting you regularly whilst we navigate these challenges.

Our team have been working closely with our suppliers to find solutions quickly and efficiently. We are working together to:

- Share and monitor forecasts to ensure we are well prepared for any variations in demand.
- Reviewing known out of stocks daily and quickly sourcing appropriate alternatives.
- Preparing alternative menu options, should we need to make short-term adjustments.
- Identifying locations for buffer stocks, should alternative dishes be required.

These are extraordinary times, and challenges facing our industry, our supplier partners and the entire food supply chain are exceptional. We will be monitoring the situation closely and will continue to update you as and when we have any further information.

Thank you for your continued support and co-operation. If you have any queries regarding this letter, please contact your local area team.

Yours sincerely,

Steve Kemp
