

Sunday 2<sup>nd</sup> January 2022

Dear Parents,

**Re: Return to School**

Following an update from the Government and the DfE, schools will return for the spring term as previously planned. This is a massive relief to us all as we know that the best place for our children is learning at school.

As you know, case numbers continue to increase and we will no doubt be affected by the virus in the short term. We have plans in place just in case of staff shortages but I will let you know more details if and when issues arise.

I would also like to remind you to test your child using a Lateral Flow Device (LFD) test before your child returns to school. This is important to ensure the safety of the whole community. If your child tests positive, you will need to get a PCR test.

Finally, please ensure that if your child brought home school books over the holiday period, the books are brought back on Tuesday 4<sup>th</sup> January 2022 in readiness for lessons.

I wish you and your family a happy New Year!

Yours faithfully,
