- **Secondary School Visits**
- **Job Vacancies**
- **Laudato Si'**
- **Celebrations**

Safer Streets – Our School Street starts soon

I have two volunteers! I am being pressed by the organisers for numbers so that they can organise training. I need more volunteers to help us deliver this important safety scheme, the timings are as follows:

Mornings 8.30 to 9.00am

Afternoons 2.45 to 3.30pm

I will allow your child/ren to use the Early Morning Drop-Off club for free during the time that you are at the barrier and your child/ren will be looked after in the afternoon until you finish. You will be provided with training, a Hi-Vis jacket and support from me at the school. Many schools use a weekly year group rota e.g. Year 4 week 1, Year 5 week 2 etc. I attach a rota to the back for your information. Please make time to support us, email me on head@stjosephs.ealing.sch.uk with the following details:

- Name
- Child's name and class
- Phone number

Please include the days you are available, am or pm and how often you would like to volunteer e.g. mornings or afternoons, which day. With each year group definitely having more than 90 parents, we should not really have too much trouble filling out the rota.

Sunday 26th September 2021

26th Sunday in Ordinary Time
Gospel : Mark : 9-38

"If any of you put a stumbling block before one of these little ones who believe in me, it would be better for you if a great millstone were hung around your neck and you were thrown into the sea. If your hand causes you to stumble, cut it off; it is better for you to enter life maimed than to have two hands and to go to hell, to the unquenchable fire. And if your foot causes you to stumble, cut it off; it is better for you to enter life lame than to have two feet and to be thrown into hell. And if your eye causes you to stumble, tear it out; it is better for you to enter the kingdom of God with one eye than to have two eyes and to be thrown into hell, where their worm never dies, and the fire is never quenched."

Reminders

Soft start is 8.45am across the school now. Please do not congest the gates upon entry. At the end of the day, please keep the lines moving and do not congregate by the gates.

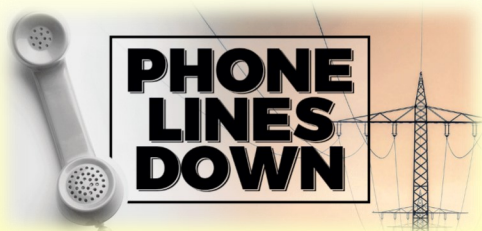

Ink cartridges

If you use a home printer and use a lot of print cartridges but throw them away, we have a box in the office that they can be used to recycle the cartridges and we get a little bit of money for them. Feel free to bring them in.

Phone wires

Over the last few weeks a person has been cutting the phone wires in the local area. Last weekend, the area around the school was hit. It meant that we had no phone lines on a very busy Monday morning.

Bat talks

Ealing Wildlife have been in to talk to the children in Years 1-3 about wildlife in the surrounding area. The children were treated to a really interesting presentation. I attach some information to the back of this newsletter. Mr Buckfield and I went on a bat walk to learn about the bats that we have in the meadows by the viaduct; it was very informative. The school also received a bat roosting box and a bat detector. Hopefully, we will be able to locate some bat activity around the school playground in the evenings.

PTA coffee mornings

The PTA held a coffee morning this morning and another one is scheduled for Monday 27th September, 9-10am. They are a good opportunity for parents to get to know each other and to hear about all the wonderful work the PTA does for the school. Hopefully you can make Monday.

Fr. Cristiano—Secondary school signing dates

The dates for Fr. Cristiano to sign secondary school forms are attached to the back of the newsletter.

Governor/Parent Forum

Thank you to the one parent who has volunteered so far! A forum requires more than one parent please. If you would like to be a year group parent representative please email me on head@stjosephs.ealing.sch.uk. The meetings would take place three times a year for a couple of hours each maximum.

Secondary School visits

I again attach an updated sheet to the back of the newsletter with timings for open days/evening. As well as Year 6 children needing to attend, I would also encourage Year 5 children to take up the opportunity this year as next year their high school of choice may have their open evening event during the Boreatton Park trip.

Job Vacancies

Relief SMSA

We are looking for a relief SMSA to join our team on an 'As and When Required' basis, 1.5 hours per day. Please enquire at the school office for an application form.

Cleaners

If you have spare capacity in your busy day, I am looking for two experienced cleaners to work Monday to Friday, 3.15pm to 5.15pm. Please enquire at the office.

Ealing Mini Mile

On Saturday, the Ealing Mini Mile will take place in Lammas Park. Last year, the organisers asked if we would like to take part in a competition to design the bespoke t-shirt that everyone gets when they cross the line. Natalie, in Year 2, will already have hers because she won the competition! Congratulations. 2000 runners will be wearing her design, how fantastic is that?

PTA News

Hi everyone,

We hope that you are all well and settled into a new school year.

We are delighted to be able to say that we can now invite you to attend the monthly pta meetings as you used before the pandemic. Our next meeting will be on Monday 4th October at school at 7pm. We look forward to seeing you there and appreciate your continued support. The more parents that can attend, the more we can share ideas and organise fundraising events for our school.

During the summer holiday, the PTA had a stall at Hanwell carnival. The idea was to raise the profile of the school and do a little fundraising at the same time. Unfortunately, the weather was not great and the attendance was poor but we made a small profit. We had a lucky dip and hook a duck game and some books for sale which were donated by Anne Farmer. Thank you Anne.

We have some events planned over the coming weeks so please remember to read the newsletter each week for more details.

Looking forward to seeing you at the meeting on the 4th.

Best wishes
PTA

PTA coffee mornings

The PTA held two coffee mornings for parents of Reception children, the next on 27th September, 9-10am. They are a good opportunity for parents to get to know each other and to hear about all the wonderful work the PTA does for the school. Hopefully you can make one of the two dates available.

Laudato Si' project – Caring for our common home

Every week, 11 million items of clothing end up in landfill. Throwaway fashion is putting increasing pressure on our planet and its people - it's unsustainable. It's estimated that more than two tonnes of clothing are bought each minute in the UK, more than any other country in Europe! Oxfam is fronting the 'Second Hand September' campaign. In one month alone, the carbon footprint of new clothes bought in the UK was greater than flying a plane around the world 900 times. This is the same amount of carbon emissions the nation could save if we all took part in Second Hand September.

Challenge: Can you commit to not buying any new clothes for 30 days? Now that the children are back at school have a sort through your wardrobes and donate any unwanted clothes to Oxfam. Moving forward can we 'make do and mend' rather than 'chuck and buy cheap'?

Why not take a photo and send it in with your child to their class teacher to encourage others to play their part too?

Let's make a difference – together!

Contact Details

If you have moved house or changed your phone over the summer, please don't forget to come to the office and complete a change of details form. It is imperative we have contact numbers for emergency purposes.

Common courtesy

'Lock down' has taught us how to queue. Please do not jump the drop off or pick up queues as it tends to annoy the people who have arrived early. Please wait your turn like the rest of the school community.

{Courtesy}
Having kindness and consideration for others

Contacting the school office

If you have a general office related enquiry please use ask@stjosephs.ealing.sch.uk.

Please do not use the Admin domain for correspondence as it will not be picked up.

Love Learn Believe

Celebrations

Headteacher awards are presented each week to children who the staff think have put that little bit of extra into their work. Well done to the children listed below:

Class	Name	Reason
1K	Oliver	For staying focused on his tasks.
1AS	Maja	For using great 'WOW' words, shiny and gooey in her English story.
1SS	Alan	For fantastic writing.
2JB	Noar	For his morning prayer in which he thought carefully about what to ask God.
2EB	David	For some amazing sentences using the conjunction 'so'.
2SL	Joey	For being an excellent role model at all times.
3AR	Maddie	For a wonderful recount of Stone Age Boy in English.
3DS	Atila	For valuable contributions in RE to what makes a happy family.
3SR	Antony	For being so focused during all lessons.
4AS	Livia	For being a mature learner who presents neat work in every subject.
4MS	Evelina	For creating a beautiful family tree for her RE project.
4W	Mya	For a thoughtful response to our work on Ruth in RE.
5B	Jonathon	For consistently putting his best effort into any task he undertakes.
5L	Oisin	For working hard to improve his concentration.
5W	Charlotte	For persevering during our ball skills lesson in PE.

Good Disciple awards are given to children who have shown exceptional love and kindness to fellow pupils and are helping to build God's kingdom here and now. Well done to the children listed below:

Phase	Name	Reason
Lower	Mia	For showing kindness to her friends.
Middle	Shaina	For always putting others first.
Upper	Lewis	For voluntarily helping a person in need.

Secondary School Signing Dates

Father Cristiano

You should call the presbytery to book your appointment on 020 8567 4056. Before you attend the appointment please ensure the following:-

- You are a **registered Parishioner**.
- To the appointment you should take a **completed Supplementary Information Form (application form)** for each school you are applying to.
- Your child's **Baptism Certificate**.

4 th October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.
11 th October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.
12 th October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.
18 th October 2021	11 am until 13:00 p.m. 15:00 am until 18:00 p.m.

Catholic High School Open Evening dates

For all venues, please check websites for most up to date information.

Tuesday 5th October, 9am-11am

SEE HOW YOUR STORY UNFOLDS AT GUMLEY HOUSE SCHOOL FCJ

Vive ut Vivas | "Live that you may have life"

DISCOVER WHAT MAKES GUMLEY UNIQUE

At Gumley House School FCJ, we take the time to get to know each girl as an individual to be able to support her in creating her own story.

Whether their next chapter is to become a global leader, scholar, sportswoman, musician or artist, we provide them with an ambitious curriculum, enriching experiences and excellent pastoral care to ensure she reaches her goals and is prepared for a successful future.

We invite you visit our website where you will find details of an engaging experience to give you a sense of what makes Gumley so unique. Find out more about our [Gumley Girls and their stories](#), read our [Gumley Gazette](#) and [School Prospectus](#), learn about our exceptional [transition programme](#) and join us for our open events on:

* Thursday 30th September, 9am-11am (Head's talk at 10:20am)

* Thursday 30th October across three sessions to minimise numbers, 5-6pm; 6-7pm and 7-8pm. Head's talk begins each session.

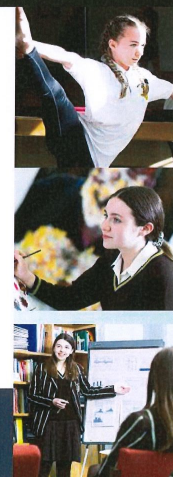

* Tuesday 5th October, 9-11am (Head's talk at 10:20am)

Be sure to complete the registration form on our website to receive further information and details. I look forward to sharing the Gumley Story with you.

Stephen Byrne,
Headteacher

Ealing Parks Foundation

FREE WILDLIFE ACTIVITIES FOR FAMILIES (Autumn 2021)

Sat 30 October 10-2PM
Walpole Park

Ealing Council is launching its updated Biodiversity Action Plan in 2021. Ealing Parks Foundation (a new charity) is running a spooky 'Wicked Wildlife' session! Turn up on the day to book onto a session with Natasha Gavin and make bat masks and go on a Halloween treasure hunt. And more! Age 4 up. (See www.ealingparks.foundation for more information)

Ealing Wildlife Group photography competition (deadline 13 October)

Go to www.ealingwildlifegroup.com and see how easy it is to submit a photo for the annual competition: junior category (under 16s) and no experience or fancy cameras necessary- just nature in Ealing!

How private residents can help biodiversity in Ealing

You might not be able to do many of these things, but just doing a couple will really help local biodiversity to thrive- private green spaces can have a major impact on improving the number and variety of insects in the environment, and therefore helping all those creatures up the food chain to survive. And if you don't have a front or back garden, even balconies and window ledges can help wildlife! Here's how...

- Make a pond - bury a bucket, put some oxygenating plants in then water and surround it with plants for shelter. Put a log in it so creatures (big and small) can climb out if they fall in.
- Have a wild corner in your garden- pile up some sticks, leaves, logs and don't disturb them- the beetles and woodlice will love them. Birds and frogs will be attracted to all the insects. Stag beetle larvae can take 7 years to mature into stag beetles!
- Fill your garden with flowers- sow wildflower seeds or pollinator friendly ornamental bushes like Rosemary, Hebe, Lavender, Buddleia. If you only have a window ledge or a small balcony, planting flowering shrubs in pots will attract insects and birds hunting for food.
- Make your front garden a wildlife refuge too and a safe space for passing wildlife- avoid paving over your front garden- flooding is a much bigger problem now, and every open bit of green space and porous surface helps to absorb rain water and reduce localised flooding in the borough.
- Put up bird boxes in high sheltered (out of direct sunlight) corners of your garden trees or house- clean them out every year to encourage another future pair to nest.
- Make a hole under your fence and encourage your neighbours to, so wildlife can use your gardens as a corridor. Wildlife corridors are vital ways we can help creatures move between larger green spaces. Hedgehogs are often spotted in Ealing gardens.
- Compost your uncooked green waste- the worms will work their magic and turn your uncooked fruit and veg peelings into soil and worm tea- a natural fertiliser for plants.
- Feed birds all year round- mealworms and sunflower seeds are a big favourite, especially in wet Springs when it is harder for birds to find bugs to feed their young.
- Keep a close eye on your pets- dogs can disturb wildlife, especially if they move off paths. The same applies to us big humans.
- Mow your lawn less often- insects can hide in longer grass, the birds love finding them, and pollinators will enjoy your wild flowers.
- Stop using chemicals- especially slug pellets- slugs killed by slug pellets can poison frogs and other creatures that eat them.
- Leave ivy berries for the birds in winter and don't prune big walls of ivy or other climbers in the early Spring- birds will be looking for nesting sites and these are perfect sites.
- Don't tidy your garden in the Autumn- let the dead flowering heads of taller Summer flowering plants remain over winter, so ladybirds and other insects can hibernate in the stems, and birds can feed on seed heads- cut them back when the weather has warmed up in late Spring.
- Get involved in community action- volunteer litter picking and gardening are just two ways you can make a big difference to your local wildlife habitats.
- Join Ealing Wildlife Group on Facebook, and be inspired by the biodiversity on your doorstep. Enjoy nature.

September 2021

Customer Update: Supply Challenges

Following the communication we shared in June regarding anticipated supply challenges, we are getting in touch to update you on the ongoing issues we are experiencing with sourcing certain products and ingredients.

You will likely have seen articles in the news recently highlighting the issues that well-known fast food chains have been facing in sourcing several key product lines (McDonalds, Nando's, KFC, etc.). These same challenges are affecting the wider food services sector and those wholesalers that supply it, as well as food retailers right across the UK. They are driven by a number of underlying issues including:

- Covid-19, and the pressure on supply that the subsequent lockdowns and reopening mobilisations have caused.
- Significant variations in demand, which are often much higher than expected and above the capacity of some of our supply partners.
- Brexit, and some related delays with imported products coming into the country.
- Industry-wide shortages of HGV drivers and hauliers, warehouse, production and catering teams, some of which have been exacerbated by Brexit and return of some EU nationals.
- The 'pingdemic', social distancing and Covid-19 workplace protocols, which have all impacted on production at many manufacturing and food processing sites, and right across the supply chain.
- Avian and swine flu, which have affected the availability of some key meat and poultry lines.
- Extreme weather conditions, which have delayed the planting and drilling of some crops, impacting quality and supply – such as current issues with potato products.
- Soaring costs of shipping and freight, as well as the closure key ports in China, which have affected the cost and availability of many globally imported lines.
- Instances where availability challenges with some products have a knock-on impact on other, similar lines.

In schools, the majority of product lines affected so far include tinned fruit, frozen fruit, frozen vegetables (peas, green beans, etc.) and bread products. Secondary schools may also notice shortages of soft drinks, as well as 'grab and go' packaging and condiment sachets.

It is likely that the next few months will continue to be unstable until suppliers' capacity to deliver stock matches and overtakes customer demand. As a result, there may be some variations to recipes, menus and packaging, where we have had to source alternatives. We will continue to do everything we can to provide high quality services which are as close to the agreed menus as possible, consulting you regularly whilst we navigate these challenges.

Our team have been working closely with our suppliers to find solutions quickly and efficiently. We are working together to:

- Share and monitor forecasts to ensure we are well prepared for any variations in demand.
- Reviewing known out of stocks daily and quickly sourcing appropriate alternatives.
- Preparing alternative menu options, should we need to make short-term adjustments.
- Identifying locations for buffer stocks, should alternative dishes be required.

These are extraordinary times, and challenges facing our industry, our supplier partners and the entire food supply chain are exceptional. We will be monitoring the situation closely and will continue to update you as and when we have any further information.

Thank you for your continued support and co-operation. If you have any queries regarding this letter, please contact your local area team.

Yours sincerely,

Steve Kemp

everyone **ACTIVE**

'Cadenza' is Ealing Music Service's well established music centre in the heart of Ealing, focussed solely on ensemble playing. We host two orchestras, string ensembles, wind bands, a jazz band, percussion ensemble and two choirs that cater to over 100 young musicians from Ealing and beyond.

If your child is at a Grade 1 level or above on their instrument, they can sign up and join our Training (Grade 1+), Intermediate (Grade 3+) or Jazz Musician Packages as well as signing up for one of our fantastic choirs.

Cadenza ensembles meet on Saturdays, once a month at Grange Primary School. Please visit our website for further details or email Caroline Swan (Ensemble Development Lead) SwanC@ealing.gov.uk
