School Meals payment portal

The current online meals payment portal will no longer be available to make payments for meals beyond the 31st of July 2021. If you are paying for your child's meal online please do not make any payments beyond the 23rd of July 2021. The current online payment portal is being replaced with the ISS new online payment portal, details of which will be sent to you at a later date.

If you have credit on your Harrison account beyond the 23rd of July 2021 or when our school closes for the summer holidays, the payments team will be in touch to refund your money.

13th Sunday in Ordinary Time

Gospel: Mark 5:21-43

When Jesus had crossed in the boat to the other side, a great crowd gathered around him; and he was by the sea. Then one of the leaders of the synagogue named Jairus came and, when he saw him, fell at his feet and begged him repeatedly, "My little daughter is at the point of death. Come and lay your hands on her, so that she may be made well, and live." So Jesus went with him; and a large crowd followed him and pressed in on him.

Super Cyclists

Jacob and Mehreen belong to Hillingdon Slipstreamers. This is a cycling club based in Hillingdon. They entered the Nation Youth Series cycling event and did incredibly well. Mehreen came 2nd overall in the U8s Championship where she raced over 10km and Jacob came 2nd overall in the U10s Championship where his race was over 15km.

Great Oaks From Little Acorns Grow

Not quite oaks and not quite little acorns, but lovely conifers. Claire's Garden, behind the Middle Phase, is a little exposed so some quick growing conifers have been planted there to provide some screening from the road and pavement. How long will they take to grow tall and wide? They will also help to reduce our carbon footprint.

EU Settlement Scheme

This item has been in the news and also in our newsletter previously. This is a timely reminder for any EU citizen who have not yet applied for settled status under the EU settlement scheme. The deadline for applying to the scheme is 30th June 2021. Please see link below:

Eat Well For Less?

The hit BBC1 prime time series 'Eat Well For Less?' is currently casting for their 8th series and is looking for families who would like to eat well and save some money on their weekly shop. I have attached a copy of their flyer to the back of this newsletter. The casting team are hoping to hear from families soon.

Laudato Si' project – Caring for our common home

Following on from last week, where we thought about which items have been essential to our everyday living, this week we can think about product choice. When you come to the point where you need to replace essential items, can you make a more sustainable choice? Perhaps you could make the switch to eco-friendly cleaning products, or make a choice to choose wooden items in place of plastic – tables, chairs, hairbrushes, toys, single-use cutlery, even sunglasses – all are available in hard wearing, more environmentally friendly materials. Bags, napkins, picnic wear, cloths are all available in compostable materials. Household appliances such as washing machines often come with energy efficiency ratings. When you need to invest in big purchases that won't be replaced for years can you make the most sustainable choice?

Challenge: When you make a purchase, consider the item's life expectancy: How long can the item be used? Will it have more than one use? When you're done with it, will it end up in the rubbish? Is there a non-plastic alternative? Start investing in reusable products for the items you most often throw away.

Please do share your ideas with us by emailing your photos in to school and we will upload them to the Year Group page.

Let's make a difference – together!

Hanwell Community Library

HCL on Cherington Road re-opened on Wednesday for the local community. It is a valuable community resource that, as a school, we will be making use of in the near future. Everyone is welcome and it is open 4 days a week: Tuesday 2pm-5pm, Wednesday 10am-1pm, Thursday 2pm-5pm and Saturday 11am-3pm. Please look at the flyer at the back or visit website:

www.hanwellcommunitylibrary.org.uk .

World Book Day

We celebrated WBD 2021 on Wednesday instead of the usual date in March and much fun was had by all! Children and staff dressed up in a character from one of the books we have read in class this year or else their own favourite book. As usual, lots of thought went into the costumes and all the children and staff looked amazing. There were several other activities during the day such as book quizzes, children talking about their favourite books, black out poems and some reading of course! Coincidentally, the very same day saw the reopening of Hanwell library on Cherington Road. As a school, we will be making more links with the library going forward but in the meantime, please support our local library.

Sports Days

Sports days continued this week. On Tuesday, Nursery had their Sports Day in the playground. As with all the other Sports Days that have gone on this year, it was sad that parents couldn't be present, but the children enjoyed themselves anyway. The children really enjoyed being in teams and the team spirit that was created was amazing. The Nursery children were very competitive, but sporting. There were running races, hurdles, Egg and Spoon races and Bean Bag Balance races. Everyone had lots of fun in the sun too!

Again, thank you to the PTA for providing ice-lollies.

In the event...

In the event that somebody in your household wakes up with a fever ($>37.8^{\circ}\text{C}$), or a new, continuous cough or a loss of the sense of smell or taste do not send your child to school. Immediately inform the school via email or phone and then book a test for the person. The whole household must then self-isolate. If the test returns negative and nobody has any ongoing symptoms, the child can return to school and the household no longer needs to self-isolate. If a positive result is returned, the household must self-isolate for 10 days and resume normal activity after 10 days as long as they have been symptom free for 48 hours.

If your child has a sniffle, runny nose or is sneezing, they are not coronavirus symptoms and your child should come to school if well enough.

School trips

The Year One children and accompanying adults had an amazing time at Bekonscot Model Village this week. They enjoyed looking at the different buildings, animals and moving trains. The children all had a chance to ride on a train – which they loved – and enjoyed their picnic together.

Hello!

from your new school caterers

ISS Education is delighted to have the opportunity to provide catering services at your school from September. Our mission is to feed hungry minds! We create our menus based on the principles of the Soil Association's Food for Life Silver Served Here standards, which have been developed to reflect best practice in healthy and sustainable school food.

Our food is...

- Over 85% freshly prepared
- Includes meat from farms which satisfy UK welfare standards
- Is made with free range eggs – where eggs are used
- Includes a wide range of seasonal and local/British produce
- Contains no undesirable food additives or hydrogenated fats
- Does not include any GM ingredients

You will receive a full version of your new menu soon!

Each day your child can enjoy the following:

More than lunch...

- As well as great food, we also support schools with:
- Cookery Sessions
 - Gardening Workshops
 - Nutrition Talks
 - International Food Events
 - Parent Tasting Sessions
 - Food Education Event Days
 - Annual Green Fingers Event
 - Assemblies
 - Farm Visits
 - Themed Menus
 - School Event Support
 - Educational Activities

If your child requires a personal menu due to a **special dietary requirement(s)**, please complete our **Special Diet Referral Form** and return it to your school office.

If you would like more information on any of the above, or if you have any questions regarding other school food matters, please do get in touch:

- ✉ Send us an email: hello@feedinghungryminds.co.uk
- 🌐 To find out more about us, visit www.feedinghungryminds.co.uk

Thanks for your time - we look forward to seeing you and your child soon!

Dear Parents and Guardians,

ISS will be introducing a new meal ordering and payment system from September 2021. The system, known as BlueRunner is user-friendly and offers several exciting benefits including:

- A clear and easy-to-use design
- An automatic registration and password reset process
- A shopping basket function to track meal selections
- Easy functionality around adding children to an account
- Printable meal plans for each child on your account
- The ability to order and cancel meals
- Automatic email confirmations of orders and changes
- Notifications and reminders to top up your balance
- Online user guides and videos

Parents who previously paid/ordered via the telephone will still be able to do this. There will be a new telephone number which we will share with you over the next few weeks.

You will receive further communications from us over the coming weeks in the lead up to the launch of the system. These will include a series of 'How To' and Frequently Asked Questions (FAQs).

If you have any questions in the meantime, please get in touch with us at: feedinghungryminds@uk.issworld.com

Yours sincerely,

Caroline Jenkins
