The governors of this oversubscribed 11-16 Voluntary Aided RC High School are seeking to appoint an enthusiastic school librarian. To support and promote the school ethos and vision with regards promoting a vibrant reading culture as a whole school priority. To foster a love of reading for pleasure and contribute to the improvement of literacy through developing the sustainability of the library setting and supporting reading lessons. In particular, intervening with students who need further support in these key areas.

We are looking for a dynamic, creative individual with ambition and drive, who is passionate about improving the lives of young people. Joining a dynamic and forward looking team you will be given the opportunity to be at the forefront of a fast paced life-transforming team.

As a Catholic Christian community, we offer a fantastic opportunity for the right candidate to engage with wonderfully able students who with the right guidance can be inspired to achieve beyond their wildest dreams. We are very determined in our mission to transform the lives of young people and create outstanding life chances through educational achievement. We are looking for an innovative, outstanding practitioner to inspire students of all ages and abilities.

The successful candidate will:

- Be willing to actively support the Catholic Christian ethos of our school
- Manage and maintain the day to day running of the school library
- Have a passion for inspiring students to explore a wide range of texts and develop a love of reading within them
- Have the ability to create a safe and inclusive learning library space
- Have the potential to lead the library in new initiatives and activities to engage all students
- Have the resilience to work as a team to support our reluctant readers and fan the flames of enthusiasm and further inspire those who are already excited about a bright future
- Have the drive to prepare young people to be 'game changers' in the world.

Do you have what it takes to realise our dream? Can you inspire young people to 'dream the impossible and achieve beyond their wildest imagination?' Be part of our life transforming team!
