

Should your child need to self-isolate and they are well enough to continue with their studies they will be able to find their lessons via E-Praise [www.epraise.co.uk](http://www.epraise.co.uk) If they do not remember their username or password please contact their form tutor or head of year who can arrange to have it re-set.

We now have a new online 'learning platform' which all students have been shown how to access in school. This is called RM Unify. [www.rmunify.com](http://www.rmunify.com)

Students are able to log on from home and access Office 365 free including Microsoft TEAMS where they can access lessons and resources for each class they are in. Again, they have been given a password and a username but should they forget this you can email [rmunifyrequest@st-josephs.bolton.sch.uk](mailto:rmunifyrequest@st-josephs.bolton.sch.uk)

Please help us to be as efficient as possible. Many precious hours are lost re-issuing passwords and usernames. Students are encouraged to write down their usernames (see P.9 of the planners) and also jot down something to help them memorise their passwords. Please support them with this so we can focus on lessons rather than administration.

Where parents or pupils may struggle to know how to work any aspect of RM Unify or Epraise please do not hesitate to get in touch with Mrs McDonnell [amcdonnell@st-josephs.bolton.sch.uk](mailto:amcdonnell@st-josephs.bolton.sch.uk) We are building a bank of very *short* 'how to' videos which will be available on this webpage which will explain and show what you need to do.

We are committed to supporting our students' learning both at school and at home. For this reason, this page will be updated regularly in response to requests as well as any changing circumstances we may face.
