

# ART

You will be starting your official GCSE AQA exam on this mock day.

Although this is your mock week, the Art Exam takes place over 8 weeks with 10 hours of controlled time at the end of this preparation period. Both Art groups will have completed their GCSE Art Exam by the end of March.

You need to come prepared with a sketchbook (A4 sized) we only have a few available in school and these can be bought for £1 each.

You will be in Art for the full day but are allowed out at break and lunch.

During this day you need to come focused and ready to start a new topic. The topic and theme will be set by the AQA Exam board and you will be given an option to choose your theme but you **MUST** select it in the morning of this day.

You will have set tasks to complete throughout the day that are all marked and go towards your GCSE exam.

Between now and then you **MUST** complete all of your GCSE coursework as this will be handed in the first week back in January.
