TEACHER'S TOP TIPS

- Practice writing 40,90 and 150 word paragraphs. Use your credit card phrases. Aim to be ACCURATE and always include 3 tenses and 2 opinions.
- Write what you KNOW HOW TO SAY in Spanish/ French not what you want to say.
- Keep practising the translations also. Be aware of what grammar they are testing you on.
- Learn vocabulary regularly to help understanding in reading and listening exams.
- Read questions carefully.
- Don't leave multiple choice questions blank – have a go!
- Be aware of the Positive and Negative answer. Look out for words to compare e.g. but, however, on the one hand ..., on the other hand ...
- When doing listening exams, listen to the whole section before writing your answer.
- When doing listening exams listen to French / Spanish radio beforehand, this will make the actual exam sound slower.
