**St Joseph's Catholic Primary School**

# ICT Acceptable Use Policy (KS1)

**Mission Statement**

Following in the footsteps of Jesus; we live, love and learn.

**Inclusion Statement**

In this school, we are educating our children to:

- know who they are - a special and unique gift from God
- know why they are here - we all have a purpose and responsibility to look after God's world
- work hard and aim high for their future - find and use their God given talents to become everything that God intends them to be

We are a Catholic community, in a modern society, where everyone is equal. As a Catholic School, we strive to reflect the teachings of Christ and live out the Gospel Values in everything that we do. The most loving and merciful Jesus Christ is our role model, and He welcomed everyone. All children are welcome in our school; they and their families become part of our St. Joseph's family. We will love and nurture them, and do our best to help them to become everything that God intends them to be.

At St Joseph's Catholic Primary School our values reflect our commitment to a school where there are high expectations of everyone. Children are provided with high quality learning opportunities so that each child attains and achieves all that they are able to. Everyone in our school is important and included. We promote an ethos of care and trust where every member of our school community feels that they truly belong and are valued.  We work hard to ensure there are no invisible children here, recognising everyone's uniqueness and success. We recognise learning in all its forms and are committed to nurturing lifelong learners. We are a safe school, committed to improving children's confidence and self-esteem. We know that safe and happy children achieve.
