Appendix 2

Introduction: Understanding Prayer and Liturgy (from the Prayer and Liturgy Directory)

In any school there will be a range of prayer and liturgy: classroom prayer, meditation, assemblies, devotions, special services for times in the school year, celebrations of Mass and the Sacrament of Reconciliation. Each form of prayer and liturgy will have its own character dependent on the circumstances, size and age of the group, the place of celebration and its content.

Definition of Terms

Prayer, Liturgical Prayer, and Liturgy form a continuum with silent meditation at one end and a celebration of Mass on a Solemnity of the Church (e.g., Ascension of the Lord) at the other. Of course, there are areas of overlap between the categories.

In Catholic terminology 'worship' is not generally used to name and describe a distinct type of prayer or event. Worship is about living our lives in a way that recognises that everything we have is a gift from God and that everything we do gives glory to God. That, of course, does include prayer but the scope is broader. With that understanding of worship it will be seen that the purpose of education in a Catholic school is to know and love Christ and to open the vision and imagination of all pupils to the wonder of living in God's world, and the responsibilities that follow from this.

Under Section 48 of the Education Act 2005 there is a statutory duty to inspect and report on denominal education (that is religious education) and collective worship in schools designated as having a religious character. For this reason, the term 'Collective Worship' has been kept as the headline judgement by the Catholic Schools Inspectorate but throughout the framework it is referred to as prayer and liturgy. This model policy addresses the shift in vocabulary and is an interim response to the draft Prayer and Liturgy Directory.
