Creative Curriculum Overview Year 3 Summer 1

Art

During this half term we will be learning how different artists have portrayed flowers from Monet's 'Waterlilies' to the art from known as Hapa Zome.

Music

We will be using the Charanga unit Bringing Us Together to develop our singing skills and we will also be beginning to learn to play the recorder.

How does your garden grow?

How do gardens vary between Chorley and London?

Why are gardens so important?

How do we keep gardens healthy?

Geography

In this topic we will be comparing the urban landscape of Chorley with that of London. In particular, we will be focusing on urban parks and green spaces.

Computing

We will be learning how to make sound recordings and creating a 'sound walk' for our locality.

Visits/Visitors

We will be taking a trip to Brockholes wildlife reserve in Preston and finding out about the variety of plants that live there. We will also be taking a closer look at the Walled Garden in Astley Park and comparing it to the formal gardens of London.

PE

We will be learning about the inclusive sport Boccia. This is a sport for both able and disabled players which develops throwing and target practice.

Creative Curriculum Overview Year 3 Summer 2

Art

This half term will see us undertaking a very special project to contribute to the whole school art gallery. We will be using the focus of SUMMER to create some wonderful mixed media pieces of art.

Music

We will be spending this half term creating pieces of music to complement the stories we have written based on the Leon book.

Where does our food come from?

Does all food come from a supermarket?

Do bananas grow in Britain?

Do chickpeas come from a chicken?

How does an egg become a cake?

Design Technology

This half term is all about cooking and eating. Hopefully at the end of it all we will be able to cook a very basic meal for ourselves - soup

Computing

This half term is all about sending emails and making sure we keep ourselves safe when we do this.

Visits/Visitors

We will be taking a trip in to Chorley town centre to look at the variety of food suppliers we have and hopefully be having a visit from a professional chef to tell us all about what it is like to work in a busy kitchen.

PE

This is an action packed half term learning how to play rounders as well as taking part in some adventurous outdoor activities.
