Creative Curriculum Overview Year Three Autumn

Art

We will be learning how to mix colours using watercolour paints, creating still life sketches and learning about the artist David Hockney.

PE

In PE lessons we will be focusing on indoor athletics and developing throwing and jumping skills as well as learning about fitness and stamina.

History

We will take a look at how Chorley has changed over the years and find out more about some of its famous residents.

Music

This term will see us begin to learn to play the ukulele as well as learning about the history of the instrument. We will then move onto finding out about Reggae and learning to sing 3 Little Birds by Bob Marley.

Our Market Town

What is so special about our town?

Has Chorley always looked like this?

What produce can we buy and use from Chorley Market?

Computing

We will be developing our research and publishing skills to create our own book all about Chorley. Also to tie in with our work in our art lessons learning about David Hockney we will be creating our own digital art.

Visits/Visitors

Take a trip to Chorley library to understand all they have to offer and to continue to promote a love of reading. We will also be visiting Chorley Market and exploring the local produce they have on offer.

Design Technology

This term will see us researching and developing our own soups using local produce. We will also learn how to make our own butter and bread to enjoy alongside it.
