Creative Curriculum Overview Year Two Autumn 1

Art

We will be using our sketch books to collect ideas and use these to create paintings in the style of the famous artist Kandinsky.

Music

During music lessons we will be performing 'Hands, Feet and Heart' as part of these sessions we will begin to learn to use our voices expressively to rehearse and perform with others.

Visits/Visitors

Walk to the Healey Nab with a guide showing us the way. Habitat hunting in the Garden of Eden.

PE

In PE lessons we will be focusing on indoor athletics and developing throwing and jumping skills as well as learning about fitness and stamina.

Into the Woods

Which way is it to the woods?

Was Robin Hood a real person?

How can we protect the wood?

Geography

We will be looking at the different types of maps and what they are used for. We will also be creating our own map of the local area based on a class key and finding places by following and giving compass directions.

Computing

Use different programming software to make objects move as well as programming robots or software to complete a task.

History

Use different sources of historical information to find out if Robin Hood was a real person.

Creative Curriculum Overview Year Two Autumn 2

DT

Use our DT skills to produce a picture with moving parts to show an aspect from 'The Great Fire of London'

Music

We will be using our voices expressively to get ready for our fantastic Christmas production.

Visits/Visitors

The fire fighters from Lancashire will come in and speak to us about fire safety.

PE

In PE lessons we will be focusing on games and in particular developing our bat and ball skills as well as our catching and throwing skills.

What was so 'great' about The Fire of London?

LC 1 Where is London and what does it look like?

LC 2 What was London like in the past?

LC 3 Why was the fire so 'Great'?

LC 4 How do we know about the Great Fire

Geography

As geographers we will identify the countries that make up the UK, locate London and Chorley on a map and compare a town to a city.

Computing

We will learn to search safely using the World Wide Web. Create and retrieve digital content. In this unit children can search for information about the Great Fire of London, including images, text and video.

History

As historians we learn about a significant event from the past. We will use different sources of information to find out about the past and look at how their lives differed from ours. We will also put the events in chronological order.
