Welcome to St Joseph's School and Astley Class!

Autumn Two

Mrs France

Welcome back to school! I hope you have all had a fantastic time and are ready for what is always a very busy half term. I would like to thank all of our parents, carers and families for all the effort and hard work that went into last half term!

As always, if you ever have any questions no matter how big or small please come and see us, either pop into class or make an appointment at the office for after school.

During Autumn two Astley class will be looking at a topic called 'People who help us'. Along with learning about many different occupations and what they entail, we will also look at how we can look after ourselves by discussing fire safety, road safety and who to ask for help if we are lost.

We are hoping to get a few visits from some of the people who help us, so if any of our parents/carers/family members work as a doctor, nurse, midwife, vet, dentist, lollypop man or woman, police officer, firefighter or a has a similar inspiring job, please let me know and we can try to arrange a visit so you can come and talk to the children about it.

\*A number of children are still coming into school wearing earrings. It is school policy that earrings must be removed\*

Please ensure you are listening to your child read as often as possible, it makes a huge difference to their progress and confidence.

Please follow us on twitter to keep up-to-date with what's going on...
