

Heapey News

What was so 'Great' about the fire of London?

This half term in Heapey Class our topic looks at the big question. *What was so 'Great' about The Fire of London?* In answering this we will look at different *learning challenges* every week. In answering these we will learn differing skills and knowledge through geography, science, history, art, IT, literacy and maths. Any resources on London now or in the past are greatly welcomed. Craft Club starts this half term so make sure your replies are in as soon as possible.

All full PE kits to be in school as soon as possible. Remember no jewellery this includes earrings and ensure nail varnish and tattoos are removed for each Monday.

Mental maths at home. Keep going with your weekly maths packs, counting forwards and back to 100 in steps of 1 and 10. This half term we will be focusing in on 2, 5 and 10 times tables and the corresponding divides. Keep your eyes peeled for your Times Tables Rock Star logins so you can practice at home.

Thank you for all the wonderful homework! It looks great in our Classroom. Keep liking our work and daily goings on @Heapey_Class

Keep the reading going! It's great to see the amount of reading books being changed daily. This helps with your child's progress. Some children have moved book bands already!
