Spring 2

**A book is a gift you can open again and again.** ★

On behalf of everyone in Duxbury Class we wish to say a big **"Thank You"**

for all the time and effort you have put into our topic on Knights and Castles. The children have thoroughly enjoyed their learning and have produced some excellent work. All the castles were amazing, coming in all shapes and sizes and made our Celebration Feast a truly memorable occasion.

This half term in Duxbury Class your child will be learning about: from "Farm to Fork" as part of the Creative Curriculum. During the topic they will discover where our food comes from and which food is healthy for you. They will be looking at the structure of plants as well as planting and looking after their own seeds. During maths they will be comparing numbers as well as looking at subtraction and addition number problems.
