Summer is here...

Just a reminder of some of the fantastic resources we now have to support children in their learning: For spelling, we have *Spelling Shed*. This is a free to use website that children can access. It can also be purchased as an app for children to play on phones or tablets. For maths, we have *TT Rockstars* and finally, for reading, we have *Read Theory*. The more children can access these resources, the more their confidence, resilience and skills will improve!

Welcome back everyone! I hope you had a lovely Easter. I can't believe that we're into the summer term already, not only that, your last term at St. Joseph's!

Over the next few weeks, we will be making our final preparations for the upcoming SATs, which begin on the 13<sup>th</sup> May. We will be sharpening up our maths, reading and grammar skills so that we're ready to strut our stuff! We will also be completing lots of interesting art and DT projects, beginning with creating our own optical illusions. In our topic work, we will be finishing off our Greece topic by looking at Greek foods and the origins of democracy!

## DATES FOR THE DIARY

26<sup>th</sup> April - PTA Quiz Night  
6<sup>th</sup> May - May Day holiday  
13<sup>th</sup> - 17<sup>th</sup> - SATS WEEK  
19<sup>th</sup> May - Food & Drink Festival  
23<sup>rd</sup> May - Half term holidays  
3<sup>rd</sup> June - School reopens

Well done to everyone in Year 6 for delivering a very reverent, moving reenactment of the Easter story at the end of last term!
