

Year One

# Duxbury News

Autumn 1

**Hope you had a fabulous break!**

Myself, Mrs Hopkins and Mrs Taylor would like to welcome you all to Year 1 Duxbury Class! During the next few weeks your child will be settling into a new class routine and becoming familiar with their new surroundings. If at any point you have any questions or concerns (however big or small) please feel free to pop in after school or make an appointment through the office.

This half term our whole school topic is 'One Moment in Time'. In Duxbury Class the children will be stepping back in history looking at 'Toys Through Time'. We will be looking at how toys have changed over the years as well as creating our own puppets in DT. In science we will be looking at ourselves and our senses seeing how we differ from animals. During English we will develop our writing skills through stories by Jill Murphy as well as creating information leaflets about our favourite toys. The children will be introduced to Maths No Problem this year with practical hands on learning.

Things to remember in Year 1:

- \* Names in all items of clothing
- \* PE kit for Tuesdays and Fridays
- \* Wellies for our trips to Eden!
- \* Water in a named bottle
- \* A coat

Keep up to date with all the exciting things going on in Duxbury by following us on Twitter.

@Duxbury\_class

Please support your child by reading for a short time every day. Reading is such an important skill which will develop all areas of their learning.
