

# Homework

Our creative curriculum topic this half term is a whole school topic called 'Night at the Movies.' Rivington class will be studying America in order to create a documentary film on the country. Below are the homework tasks based on this topic. The children will also receive additional maths/literacy homework where/when we feel it necessary. Please choose 3 or more of the activities to be completed at any time during, but no later than 21<sup>st</sup> October. Homework will be marked and house points received as it is returned to school. If children are using the internet, please don't allow them to simply copy and paste the work. It needs to be re-written in their own words at their level of understanding to be of any use. Finally, please be sensible with homework; I do realise how busy parents can be and how little time there is. Please do not put unnecessary strains on your family and family time or create upset and anger due to homework! It's simply not worth it. Thanks, Mr. Roden.
