

Following in the footsteps of Jesus, We live, love and learn...

Dear Parents/Carers,

Thank you so much for your support on School Sunday. What a wonderful example of the school, the community and the parish coming together to celebrate our children and the many gifts and talents God has blessed them with.

Our Year Four children have begun their lessons, in preparation for receiving the Sacraments of Reconciliation and Holy Communion in the coming months. We are so proud of them; everything we do in school is driven by faith and the will to be more like Jesus so it is wonderful to see our children choosing to receive the Sacraments and undertaking the preparation with such reverence and respect.

Following in the footsteps of Jesus, we live, love and learn...

May God's blessings be with you and your families

Kindest regards

Mrs Douglas

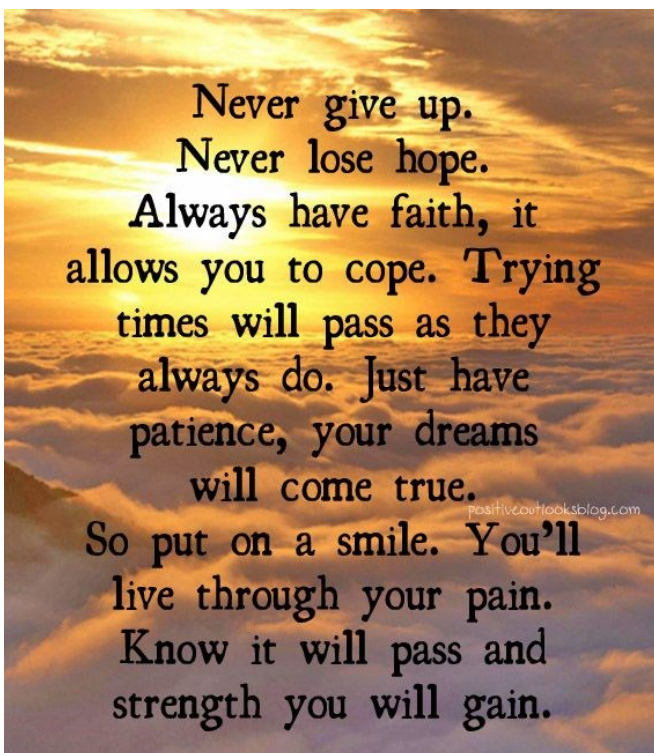

Please join us for our celebration assemblies on Friday mornings at 9.10am. You are very welcome to come along!

Can you help?

We are always looking for help from our families to enable us to offer extra opportunities to our children. Could you spare any time to listen to readers? Perhaps you are an artist or a fitness expert and could run a club? Maybe you could help our eco-warriors with a litter pick or our PTA to organise more wonderful community events.

We would welcome your help and expertise.

As the old saying goes... 'It takes a village to raise a child!'

Uniform

Your children are so smart in their uniforms and so proud to be a part of this wonderful school family.

Please help them to remember that school shoes should be black (not trainers).

Cardigans and hair accessories should be school colours also.

We do not allow jewellery, for health and safety reasons, so we will ask for earrings to be removed during the school day.

Uniform is so important, in giving children a sense of belonging and preparing them for the world of work so we really do place great emphasis on this. If you need any help with providing uniform...please just ask.
