

St Joseph's Catholic Primary School  
"Following in the footsteps of Jesus we live, love and learn."

## **Policy for Religious Education**

### Mission Statement:

"Following in the footsteps of Jesus we live, love and learn."

### Our Aims:

- Encourage everyone in school to flourish by developing their gifts and talents given by God.
- Understand the needs, wishes and aspirations of everyone in school, instilling values which will enable all to develop self-esteem and respect for each other and the wider community.
- To provide the opportunity for children to welcome Jesus into their lives through "Come and See" and the Sacraments of Reconciliation and Eucharist.
- To take all opportunities to promote children's learning, spirituality, morality, relationships, safety, health and well-being.
- Ensure that every child recognises and develops their sensitivity and awareness of other people's faiths and circumstances in order to become responsible, global citizens.
- Following the example of Jesus, enable everyone to acknowledge the importance of the role of parents, carers and friends within our school and parish family

### Process

Our school follows the current 'Come and See' Program. R.E. is taught as a discrete subject area and is also part our integrated cross-curricular approach. Time allocation is in line with guidance from the Liverpool Archdiocese which is currently 10%.

All staff will take into account the starting point of the children to accommodate their different backgrounds and faith experience. Fundamental to this is maintaining and enhancing the pleasant, happy, caring family ethos which enfolds all that we do.

During the year we have two discrete weeks in which we study "Other Faiths" Every year we study Judaism and one other Religion. Where possible, visitors will be encouraged to come into school. The children will also be encouraged to take part in visits.

### Teaching and Learning

A range of teaching strategies will be employed depending on the needs and abilities of the children and the nature of the activities to be undertaken.

Lessons will be differentiated in terms of activity or outcome according to the needs and abilities of the children.

Lessons will involve thought provoking reflection and discussion, encouraging the children to develop their moral and spiritual consciences. Teachers are encouraged to make cross - curricular links when planning R.E. incorporating opportunities for ICT and extended writing where possible.

### Assessment

Formal assessment is carried out three times a year following the guidance from the Christian Education Department (CED).

Informal assessment of the children is done on a daily basis through discussions, written work and more creative activities. Children who are above or below expectations are noted on the annotated plans. Summative assessment is recorded at the end of each term.

Staff use the new assessment statements from the Archdiocese to make judgement against children's attainment in RE. These are collated by the subject leader each term.

Marking will be in line with school policy and written comments, in relation to the learning objective, should be affirming, encouraging, thought provoking and challenging, and above all be sensitive to the children's needs.

Parents will be kept informed of their children's achievement and progress on annual written reports and on Parents Evenings.

### Monitoring

The RE subject leader will monitor planning, carry out book scrutinise and talk to children on a regular basis.

During walk through, displays and focus areas for worship will be monitored.

Lesson observations and "drop ins" will be carried out on an annual basis. These are timetabled.

### Sacramental Preparation

Year 4 children will be prepared for Reconciliation during the Spring Term. Their preparation sessions take place after school. For First Holy Communion the children attend preparation meetings after school with Parish Catechists and staff members during the Summer term.

### Resources

Each class uses the relevant 'Come and See' section on the Website, God's Story and Church's Story.

Each class has appropriate resources for focused areas for worship.

All other resources can be found in the RE cupboard in the Hall and in the staff room stock cupboard.

### Home/School/Parish

At St Joseph's we believe that the school alone cannot undertake a child's religious education. Religious Education begins at home, the parents are the child's first teachers and support the child with his/her religious experiences. The school works in partnership with parents and parish to enrich the lives of our children.

We publish an R.E. newsletter and 'Come and See' Newsletter each term to inform parents of the forthcoming topics and any celebrations taking place.

We support various charities both home and world wide.

Our children attend Mass at St Joseph's Church at various times throughout the year. Fr. Peter comes into school during Lent to celebrate Mass in the junior classes. We organise "School Sunday" annually in which the school, Parish and families come together to celebrate Mass.

Parents, governors and other members of the community are invited into school on a regular basis for assemblies and other celebrations.
