

Year 5 Autumn 1 Homework Grid

This is our new homework grid. You can choose which activities to complete over the Half term and then share it with me on Class Dojo or bring it into school to show the class.

Some activities can be completed now, others as we learn more throughout the term.

Key skills	Create a place value poster in a creative way. You might want to use items around the house to represent the digits for each place value column.	What is your favourite book? Design, or even film, an advert to convince others to read it. How would you sell it to people?	Practise your spellings each week..	RE - create a poster or fact file about yourself and write / draw examples of the things you do in your daily life to follow in the footsteps of Jesus.
Topics	Imagine you have landed in space (like our guided reading book 'Cosmic' and write a letter home to tell them about your adventures.	Create a solar system poster or 3D creation including all of the planets.	Write a variety of modal verb sentences to determine the possibility of something. Examples: It WILL be Tuesday tomorrow. I CAN ride a bike. It MIGHT rain on Saturday.	Make a list of proper nouns and common nouns around your house. Draw a poster of all of the nouns you find.
	Create a balance / jump / turn routine or sequence to demonstrate or explain in PE. You may write this down.	Research the Anglo Saxons and create a poster with interesting facts.	Create your own 'William Morris' wallpaper design. You could even draw the room that this wallpaper would be featured in.	Write a newspaper report

	Research something that interests you about our space topic.	Draw an Anglo Saxon house or piece of jewellery.	Write a dinner menu only using healthy ingredients.	Design a 'Visit Earth' poster for an alien encouraging them to visit our planet.
