CLASS RULES

It is our school motto that underpins our behaviour policy in school.

In Year 4, the children have come up with some rules for our classroom to ensure that we are happy, safe and able to learn.

In Year 4, we will:

- Pay attention to instructions.
- Respect people and property.
- Be sensible in class and around school.
- Be kind and polite and honest.
- Try our best and be resilient.
- Be positive and have fun.

IT'S GOOD TO BE GREEN

Staying on a green card is good!

Yellow cards are warnings for poor behaviour. If this stops, then children go back to green.

Red cards are used when warnings are ignored. Red cards may also be given for an extreme act of poor behaviour.

Lots of prizes and rewards can be offered for good effort and behaviour.

BIG FOCUSES FOR YEAR 4

We will be learning to challenge ourselves to be more independent workers:

- Staying on task
- Being resilient and not giving up
- Trying harder problems alone

We will be learning to make our class more successful:

- Thinking of others
- Working together
- Not causing distractions
- Working towards shared goals

PRAYER AND LITURGY

Best work assembly takes place each week together.

Each day in class there is time for prayer and reflection.

Some of these will be teacher led and others will be led by your children.

EVERYONE CAN DO MATHS:

EVERYONE CAN!

In maths, we are continuing to use the White Rose scheme of learning. This year, small steps from the previous year have been include to ensure that children have the necessary skills to progress.

WRITING

Children will develop their writing skills in English lessons and then have the opportunity to apply these skills across other areas of the curriculum.

Year 4 (page 1)

The enormous bird flew through the sky. It glided slowly as it got closer to the beach. The eagle's eyes shone as they looked around the beach. It swooped right down towards the sea, but then landed on the wet sand.

Paragraphs are organised around a theme.

Use of standard English for writing. e.g. we use formal words for the text.

It was a quiet Tuesday morning. The beach was covered with seaweed, pebbles and litter. There were just a few people around, mostly elderly people out on a morning walk. Brothers Luke and Joe were sat on the sea wall with their heads up, being anti-social. They were hoping nobody would notice them as they were meant to be at school. Luke stared at the eagle, amazed at the size of the bird! He turned to his brother and whispered, "Wow! Joe! Look at that!"

Use of fronted adverbials. e.g. 'later this day!'

Slowly and carefully the eagle spread its wings revealing brown and white feathers. On one of the bird's wings, Joe noticed something strange and pointed it out to his brother. "What is that, Luke?" asked Joe, pointing to the end of the bird's right wing. "What? Where are you looking?" replied his brother. Joe slowly slid off the beach wall, he tiptoed across the sand until he was much closer to the bird, then he knelt down next to it.

Personal. Informal. e.g. 'What? Where are you looking?'

Personal. Informal. e.g. 'What? Where are you looking?'

Luke was not as brave as Joe, but he decided to follow him onto the sand. Now that he was closer, Joe could see what Luke was pointing at. There was a piece of rolled up paper tied to the eagle's wing! The eagle started still, looking closely at the boy. Then it started to move its right wing like it was shaking it at the boy! "Look! It's like he's showing us there is something on his wing! What should we do?" asked Luke.

Formal. e.g. 'Joe could see what Luke was pointing at'

Formal. e.g. 'Joe could see what Luke was pointing at'

Joe spots the bird, "Hello, I see you have something on your wing. Would you like me to take it off for you?" Luke had to stop himself from laughing at his brother.
