

Year 4 Autumn 1 Homework Grid

This is our homework grid. You can choose which activities to complete over the next few weeks. Upload pictures to the portfolio section of Class Dojo or bring it into school.

Key skills	Make sure that you can tie your shoelaces so changing for P.E. happens quickly. Practise getting dressed by yourself in the morning and putting on your own tie.	Learn about your family's reading history. Can you learn about a book a family member loved at your age? You could get a copy to read and talk about.	Practise reading with more fluency. Read your reading book twice. On the second go, think about reading with a quicker pace. Also, try this with the word list words.	Do you remember your 2,3,4,5,8 and 10 times tables? Practise these before we begin learning new ones.
Tasks linked to learning in school: Walk Like an Egyptian	Science Identify any electrical appliances in your house. List those that are battery powered or run on mains electricity.	Science Discuss electrical safety at home. Look around the house for hazards and discuss keeping safe.	Science Research renewable energy such as wind, solar, hydro and nuclear power and fossil fuels such as coal, oil and gas.	R.E. Look in a bible. Find the verses with the story of Abraham and his wife Sarah.
	History Practise writing with some more ancient Egyptian hieroglyphs.	History Find out about an ancient Egyptian pharaoh.	History You could arrange a trip to a museum that has Egyptian artefacts like the Bolton or Liverpool museums.	Art Make a model of a pyramid.
	P.S.H.E. Tell your parents about the rules we have in class and school. Can you explain why we should follow them?	Music Practise your cornet at home. Try to be ready for your lesson each Friday.	Computing Think about how data is collected online. Could you check the temperature every day using an app or online?	Art Use modelling clay or find a recipe to make your own playdough. Could you make a model that might be found in an ancient Egyptian tomb?
