

# St Kentigern's Catholic Primary School June Newsletter 2024

Dear Parents,

A very big welcome back after the half term. I hope you all had an enjoyable break and are ready to return for our final half term of this academic year. I can't believe how fast this year has gone. This half term is very busy with many trips and events taking place for our children.

As the year comes to a close, we will be working with your children in

preparing them for their moves to their next year group.

A big thank you for all the beautiful flowers that you sent in for our May Procession. It was a very spiritual service and the singing was truly wonderful. The weather was kind in the end and allowed us to process around school before entering church. Many parishioners commented on the joyful singing and

the delight in seeing the children leaving church in full choral voice. Well done to Anna who had the privilege of crowning Mary. On Sunday, some children from school will be making their First Holy Communion in Church at 9.45am. It would be wonderful to see as many of you as possible there to support them.

Yours sincerely,  
*Mrs Murray*
