1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind. As an inclusive special school all students are valued and treated equally regardless of disability.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan in line with procedures from Swindon borough council and The White Horse Federation.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.

We have included a range of stakeholders in the development of this accessibility plan, including staff and governors of the school.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with our funding agreement and articles of association.

3. Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

Our academy does not have any students with physical disabilities however we would look to review this plan swiftly if we did.

St. Luke's is a SEMH (Social, Emotional and Mental Health) Special Secondary Academy. Students have disabilities which are not always visible and a wide range of diagnosis including ADHD, ASD, ODD and PTSD.

Appendix 1: Accessibility audit

Feature	Description	Actions to be taken	Person responsible	Date to complete actions by
Number of storeys	3 No Lift access to upper floors of building.	If a student with a physical disability started at the academy there would need to be a careful review of their timetable, so all lessons and opportunities are accessed on the lower floor and they were not at an unfair disadvantage from any other student because of their disability. DDA requirements are to be implemented when new works are undertaken. TWHF will endeavor to do what is reasonable and then review the physical environment if we have a student or a member of staff at the school with specific requirements.	JB Estates team	To be reviewed as required or when new building works are undertaken
Corridor access	Ensure corridors are not blocked with items that restrict access to staff or pupils with a disability.	Site team to carry out daily monitoring of all main corridor areas to ensure they are clear.	Estates team	Daily
Lifts	0 No Lift access to upper floors of building.	If a student with a physical disability started at the academy there would need to be a careful review of their timetable, so all lessons and opportunities are accessed on the lower floor and they were not at an unfair disadvantage from any other student because of their disability. TWHF will endeavor to do what is reasonable and then review the physical environment if we have a student or a member of staff at the school with specific requirements.	JB Estates team	To be reviewed when new building works are undertaken

Parking bays	Ensure disabled parking bays are marked near the main entrance and that they are kept free for staff and visitors as required.	<p>TWHF have not resurfaced the front entrance area and car park. Two disabled parking bays are now positioned near the main entrance to the school.</p> <p>New LED floodlights have been fitted externally to ensure all area leading from parking areas to the main entrance are adequately lit. Lighting checked daily to ensure there are no badly lit areas on routes.</p>	JB Estates team	Completed
Entrances	Ensure all main entrances allow for disabled access.	<p>TWHF have not resurfaced the front entrance area with adjustments to the floor finish levels so that the main school entrance and KS3 pupil entrance now have level thresholds.</p> <p>Currently the KS4 entrance still has a stepped access. DDA requirements are to be implemented when new works are undertaken. TWHF will endeavor to do what is reasonable and then review the physical environment if we have a student or a member of staff at the school with specific requirements.</p>	<p>JB Estates team</p> <p>JB Estates team</p>	<p>Completed.</p> <p>To be reviewed as required or when new building works are undertaken.</p>
Ramps	7 no.	<p>If a student with a physical disability started at the academy ramps would need to be placed in the academy on some doorways so areas are accessible to all.</p> <p>4 No. fire exits have a single step down externally from inside. These areas would need to be reviewed if a new staff member or pupil joins the school.</p>	JB Estates team	To be reviewed as required or when new building works are undertaken.
Toilets	<p>14 no. total.</p> <p>2 no. located on ground floor, with disabled access and appropriate fixtures and fittings.</p>	The two toilets that allow for disabled access are located at the main pupil and staff entrances to the school, one is in the reception entrance area and the other is in the KS4 pupil entrance corridor. Review and audit as necessary.	JB Estates team	To be reviewed as required.

Reception area	1 main reception entrance.	Recent resurfacing works have raised floor levels leading up to the main reception entrance, creating a level threshold for the main entrance door. Newly fitted internal and external doors meet regulation requirement for disabled access.	JB Estates team	Completed.
Internal signage	Review of circulation areas, classroom environments and other learning environments within academy.	If a student or staff member with a physical disability started at the academy SLT would review signage in and around the circulation areas and classroom environments as needed to ensure that appropriate signage is clearly displayed. Estates team to support as required with installation of signage.	JB Estates team	To be reviewed as required.
Emergency escape routes	11 no. fire exits 4 no. exits have a single step down externally from inside. Ensure that all disabled pupils can be safely evacuated.	Estates team to ensure all fire escape routes are suitable for all and free from obstruction at all times. Review means of escape for disabled pupils/visitors during review of fire risk assessment and fire drill practices, ensure staff are aware of the need to keep fire escapes clear at all times. Put in place (PEEP) Personal Emergency Evacuation Plans for identified pupils and staff, where and when necessary.	JB All staff Estates team	To be reviewed as required.
