AIMS AND OBJECTIVES

As a Christian school we believe that all individuals are unique and of equal value, whatever their abilities, background, physique and experiences. We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable in our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a TELLING school. This means that anyone who knows that bullying is happening is expected to tell the staff.

We aim to

- Raise awareness of bullying
- Bring about conditions in which bullying is less likely to happen in the future
- Reduce and, if possible, eradicate instances of all types of bullying
- Clarify the reporting processes

Objectives of this policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it if bullying is reported.

- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.

WHAT IS BULLYING?

'Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences.' -Preventing and Tackling Bullying, 2017.

The main types of bullying can be identified as:

- Physical - Kicking, hitting, pushing, punching or any use of violence
- Verbal - Name calling, taunting, sarcasm, making offensive comments
- Indirect - Being unfriendly, excluding, spreading hurtful and untruthful rumours, tormenting (e.g. hiding personal belongings, threatening gestures)
- Racist - Racial taunts, name calling, graffiti, gestures
- Sexual - Unwanted physical contact or sexually abusive comments
- LGBTQ+ and Homophobic - Because of, or focusing on the issue of sexuality, sexual orientation or gender identity
- Cyber/ Online- The use of text messaging, emailing, chat rooms, videoing and internet usage deliberately to upset someone else. It is a legal obligation to report a single incident of racist, homophobic or sexual harassment bullying.

PARENTAL SUPPORT FOR ALL PUPILS INVOLVED IN BULLYING INCIDENTS

The school endeavours to have open and supportive communication with parents in relation to all bullying incidents. Parents/Carers who are concerned that their child may be being bullied, or who may suspect that their child may be the perpetrator of bullying, should contact the class teacher immediately. Parents have a responsibility to support the school's anti bullying policy and to actively encourage their child to be a positive member of the school. Parents/Carers and children are required to sign a home/school agreement when they join our school.

SIGNS AND SYMPTOMS OF BULLYING

Some children will openly raise their concerns about being bullied, however in other circumstances a child may be unwilling to talk about being bullied for fear of not being understood or of making the situation worse. The following signs and symptoms may be indicators that a child is being bullied:

Professionals in school may notice signs such as:

- Unexplained changes in behaviour
- A fall in standard of work
- Lack of punctuality
- Unexplained absence
- Falling out with previously good friends
- Unexplained bruises, cuts or scratches
- Becoming aggressive and unreasonable

- Becoming withdrawn and lacking in confidence
- A reluctance to go out at break/dinner time

Parents, families and carers may notice signs such as:

- Bedwetting in a previously dry child
- Vague tummy aches and headaches
- Reluctance to go to school
- Frightened of walking to and from school
- Changes in usual routine
- Coming home regularly with possessions damaged or missing
- Unexplained bruises, cuts or scratches
- Becoming withdrawn or lacking in confidence
- Becoming distressed and anxious
- Afraid to use the internet or mobile phone
- Acting nervous and jumpy when receiving text messages
- These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

PREVENTING BULLYING

Strategies include

- Setting and communicating clear standards of behaviour through the use of the Positive Behaviour Management (use of Positive Discipline Framework).
- The use of Class Dojo's and behaviour management techniques.
- Monthly Behaviour assemblies
- Promoting an ethos where positive relationships are developed and recognised
- Encouraging the children to celebrate and respect each other's similarities and differences through RE and PSHEC lessons, circle time and assemblies and social skills/nurture groups
- Providing pupils and parents with information about bullying and where to get help and advice
- Raising awareness through Anti-Bullying week and Online Safety Day.
- Inform pupils and parents of the Anti-bullying Policy
- Providing regular training for all staff

POSITIVE DISCIPLINE FRAMEWORK

Every teacher in St. Luke and St. Philip's follows a classroom discipline plan. The plan provides a framework around which all classroom behaviour management efforts can be organised. The aim of the classroom discipline plan is to have a fair and consistent way to establish a safe, orderly, positive classroom environment in which the teacher can teach and the children can learn.

The classroom discipline plan consists of three parts:

- RULES that children must follow at all times.
- POSITIVE RECOGNITION that students will receive for following the rules.
- CONSEQUENCES that result when children choose not to follow the rules.

RULES

Every class in the school need to have displayed the same basic rules:

- Follow instructions first time

- Keep hands, feet and objects to yourself
- To be respectful at all times

These rules are in place all day long, throughout all activities in and out of school. They inform the children clearly what basic behavioural expectations the teacher has.

ROLE OF THE HEAD AND GOVERNING COMMITTEE

The school will fulfil its legal duty of care to ensure its pupils do not come to harm. This includes the reporting of all bullying incidents which have been identified as such, using the policy definition. This reporting is done by the head teacher to the governing committee on a termly basis and incidents are also reported to Cidari Academy Trust.

The definition of bullying is used as a guide to schools when reporting all bullying incidents. The school regularly monitor incidents of bullying and report to governors every term.

RESPONDING TO ALLEGED INCIDENTS OF BULLYING

As a *telling* school, it is the responsibility of any person who observes any incidence of bullying to tell a member of staff. Children need to know that incidents can be reported confidentially - if a child feels wary about reporting a bullying incident this could be done through the 'drop-in'

- The victim of bullying will be supported in recovery both emotionally and physically
- Where possible the school will follow a 'restorative approach' to the incident to help the perpetrator understand and change their behaviour
- In cases of serious bullying, the incidents will be recorded by staff following Cidari's report procedure
- In serious cases parents will be informed and asked to come to a meeting to discuss the problem

PROCEDURES FOR MONITORING AND EVALUATION OF POLICY

The school will monitor and evaluate bullying by:

- Keeping records of all incidents
- A range of data from pupil surveys/questionnaires to find out views about school.
- Parental complaints, which are stored in the office.
- Information and evidence collected for the Healthy Schools Programme (emotional health and wellbeing)
- Discussions at staff meetings
- School Council used for Pupil Voice

OUTCOMES

- The school Positive Behaviour Management/Discipline Plan for consequences will be followed
- In serious cases, exclusion may be considered
- The perpetrator may be asked to genuinely apologise
- If possible, the pupils involved will be reconciled through following the 'restorative approach'
- After the incident has been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place through follow-up meetings with all pupils and staff involved.

CONTENT OF THE ANTI BULLYING CURRICULUM/ PROGRAMME

School staff can raise awareness of and tackle bullying through:

- PSHEC Lessons
- Circle time activities
- Whole school assemblies and class assemblies, based on the values
- Multi agency working
- Anti-Bullying Week
- Online Safety Week

RESPONSIBILITIES

- All relevant staff will ensure that the Anti-Bullying Policy is implemented in accordance with this policy;
- The Head teacher is responsible for ensuring that this policy is adhered to;
- Cidari Multi Academy Trust and the governing committee will monitor the effectiveness of this policy and hold the Head teacher to account for its implementation.

INCLUSION AND EQUALITY

Teachers set high expectations for all pupils. Children of all abilities are expected to follow the Anti-Bullying Policy including:

- More able pupils
- Pupils with low prior attainment
- Pupils from disadvantaged backgrounds
- Pupils with SEN
- Pupils with English as an additional language (EAL)

We believe all our children are entitled to benefit from equal access to work and equipment in school regardless of race, gender, intellectual and physical ability, in line with the nine protected characteristics

To ensure equality for all, teachers are committed to ensuring that through our Anti-Bullying Policy we:

- Eliminate discrimination, harassment and victimisation;
- Promote equality of access and opportunity within our school and within our wider community;
- Promote positive attitudes to difference and good relationships between people with different backgrounds, genders, cultures, faiths, abilities and ethnic origins.

SPIRITUAL, MORAL, SOCIAL, CULTURAL DEVELOPMENT AND BRITISH VALUES

The school sets out to plan a provision for Spiritual, Moral, Social and Cultural development, but it is also expected that many unplanned opportunities will occur (especially for spiritual development) and staff are encouraged to "seize the moment" when appropriate. Such moments may have a profound effect on individuals.

The promotion of the 'British Values' of

- Democracy
- The rule of law
- Individual liberty
- Mutual respect
- Tolerance of those of different faiths and beliefs

is central to our education as British Values have their origin in the Christian values of our nation.

LEGISLATION

This policy reflects the requirements for academies to provide a broad and balanced curriculum as per the Academies Act 2010, and the National Curriculum programmes of study which we have chosen to follow.

It also reflects requirements for inclusion and equality as set out in the Special Educational Needs and Disability Code of Practice 2014 and Equality Act 2010, and refers to curriculum-related expectations of governing boards set out in the Department for Education's Governance Handbook. In addition, this policy acknowledges the requirements for promoting the learning and development of children set out in the Early Years Foundation Stage (EYFS) statutory framework
