Pupil Voice

*All about St Lukes and St Philips.*

St Lukes and St Philips is full of amazement and wonders! First of all, the assemblies are perfection and the best thing about St Lukes and St Philips. This is because we announce important information and every pupils birthday. (which makes me feel like a warm community) We also have rules like keep hands, feet and object to yourself. We have a scripture it says "Don't just say it show it by actions. Diversity is embraced and thirty-two different languages. Isn't that crazy! We also have a good lunch and different lunch options. We have system called Class Dojo for good points and bad points. We have attendance every week.
