

Welcome back to the last half term of this school year! We hope you all had a lovely break and are ready for the busy half term ahead. We have lots of different events that will be taking place so make sure you keep on eye out on Facebook and Dojo to stay up to date. At the end of last half term we had our Jubilee celebration that all the children loved and we even had a visit from the Mayor!

As we go into our last half term we will see the transitioning of Year 6 leaving for high school and the new receptions coming in. We will wish Year 6 all the best but are excited to say hello to our new families!

Pupil Voice

A little message from our Head boy Taahaa and Head girl Lily

Dear Parents and Carers,
 We ended our last half term with our Queen's Platinum Jubilee celebration. All the children had an amazing time, there was a bouncy castle in the hall and other activities around school such as bingo, musical chairs and a crown making competition.
 This half term, we have so much coming up!
 Starting with our value, which is courage. We are looking out for people who are representing courage. Up next is sports day, which has lots of fun filled activities. Then we have enterprise week by key stage one which what they make will be sold at our summer fair. Later in the month, we have our year six leavers assembly and the year six performance (Shakespeare Rocks) How exciting!
 Thankyou
 Head boy and Head girl.

Sun Safety

As we are slowly coming into summer the weather is getting warmer. Please can you ensure that you are putting sunscreen on your children before school. If your child has an afterschool club they can also bring a bottle of water to stay hydrated.

Our Worship Theme For This Half Term Is:

COURAGE

Jubilee Gifts

At the end of the week we will be giving out commemorative jubilee coins, each child will receive a coin and a book to mark the special occasion, so please ask them to show you these special mementos.

"Take courage, it is I; do not be afraid."
 - Matthew 14:27

Too Good To Go

There is now an app on the app store that you can download on your phones called 'Too good to go'. Many different shops and restaurants are now giving out goody bags of food for a cheap price. These bags are filled with food that are near the end of their shelf life but are still good enough to eat.

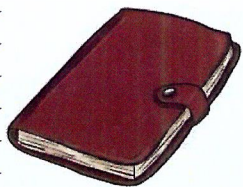

NEW TO YOU

Our New To You 'shop' in school is still available. If you have any spare or unwanted items of uniform that are in good condition we would highly appreciate it if you could donate it. All uniform will go to families who are in need of help.
